USER'sguide

At first glance, *PREVIEWS* can be overwhelming because it's packed with tons of cool stuff. But there's a rhyme and reason to this mag-a-log and here's how to use it!

You now hold in your hands the latest issue of *PREVIEWS*, the monthly mag-alog dedicated to comics, graphic novels, toy and other pop-culture merchandise. If it's in your comic shop, it's in the page of *PREVIEWS*!

PREMIER COMICS MAGAZINES BOOKS INT'L TRADING CARDS APPAREL MERCH GAMES VIDEOS

What is *PREVIEWS*?

PREVIEWS is part magazine, part catalog—a "mag-alog" of all comics and pop-culture merchandise found at your local comic shop.

We've broken down the product listings by easy-to-understand sections: Comics & Graphic Novels; Books; Trading Cards; Toys, Statues & Models, and more.

Each month, you'll find detailed listings for almost every comic book and pop-culture product that will be available in comic shops in 2 months. So, if you're looking at the April issue of ***PREVIEWS***, most items will be in comic shops sometime in June.

THINK AGAIN.

How do I order from *PREVIEWS*?

Ordering from ***PREVIEWS*** is easy! There are **3** simple ways to order:

1 **Use the Short Order Form.**
Fill in with the items you'd like to order from this issue.

2 **Ask for the companion Customer Order Form.**
We offer a companion order form that features a complete listing of every product offered in that month's issue of ***PREVIEWS***. Fill out what you want to order and hand in to your comic ship by the due date on the cover!

3 **Ask your retailer about their "Pull & Hold" service.**
Many retailers offer a "pull & hold" or subscription service where you can order your monthly comics and merchandise easily. They'll hold your orders for you and you can pick up your items when it's convenient for you! Be sure to ask your retailer to give you a copy or ***PREVIEWS***, Marvel ***PREVIEWS***, and the ***PREVIEWS*** Customer Order Form each month so you can place your orders easily!

PREVIEWS legend

Throughout this issue of *PREVIEWS*, you'll find a variety of symbols and terms that will help you in select items from this catalog. Here's what they mean:

Gems of the Month
The top offerings of the month, as chosen by our Premier publishers—these are the best bets in comics whether it's the next high-profile project or a new ongoing series.

Featured Items
In other sections, you'll find Featured Items, the top monthly products offered in their categories.

Spotlight On
These items are not to be missed; highlighted to get your attention.

Previews Exclusive
These are items available only through *PREVIEWS*! When you see this icon, you'll know you're ordering a limited item found nowhere else!

Featured Theme
Each month, *PREVIEWS* features a different theme to highlight certain titles and products. Look for that month's themed icon to find these selected items.

Certified Cool
Are you looking for the next title that pushes the envelope? Then try our one of our Certified Cool titles; books specially earmarked for readers who are looking for something a little different.

Staff Pick
This icon denotes items that have been reviewed by our staff and are worthy of a second look!

Indie Edge
The cutting edge of independent comics and creators, look for this icon on selected titles throughout the Comics & Graphic Novels section.

Star of the Month
These are best-selling backlist items that are available for immediate order from your local comic shop, and usually available for pick-up in about a week!

Offered Again (O/A)
These items have been previously offered before in *PREVIEWS* and are being made available again.

PI or Please Inquire
Your store will set the price for all "Please Inquire" items — check with your retailer for the price on these items.

MSRP or SRP
Manufacturer's/Suggested Retail Price. These designations provide suggested pricing information for a majority of items not carrying a retail price. Actual prices may vary depending upon market conditions. Please check with your retailer.

Caution (CAUT: #-#-#)
Cautions listed at the end of catalog descriptions indicate an item that may ship late or otherwise diverge from its Previews description. These codes are separated into three categories:

International Rights (I-Rights) — the item is restricted into what countries it can be sold.
0 = No International Rights restriction;
1 = International Rights are restricted.

Content Changes — the content may change after solicitation.
0 = No Content disclaimer;
1 = Content disclaimer enforced.

Ship Date Changes — the final shipping date may differ or change from the scheduled ship date.
0 = Product will ship according to schedule;
1 = Product may ship an additional 60 days beyond scheduled ship date;
2 = Additional 90 days beyond scheduled ship date;
3 = Additional 120 days beyond scheduled ship date;
4 = Product may ship at any time beyond scheduled ship date.

***PREVIEWS* Abbreviations**
SC = Softcover, HC = Hardcover, TP = Trade Paperback, MMPB = Mass Market Paperback, FC = Full-Color, b&w= Black & White; PC = Partial Color

A NOTE TO TOY COLLECTORS:
Your retailer cannot guarantee receiving specific items — such as action figures — when they must be ordered in case or "assortment" quantities. Please be aware of this when ordering action figures and other items designated as cases or assortments.

EDITOR'S *note*

FREE COMIC BOOK DAY 2010!

If you're reading this after May 1st 2010, hopefully you made it out to your local comics shop to take part in the annual *Free Comic Book Day* festivities. However... if you're lucky enough to be reading this before May 1st, then there's still time to save the date for Saturday May 1st — which should just be a few days away if you're reading this issue of ***PREVIEWS*** at your local comics shop on the first day of its release.

Better still, if there's still time, and you have any young kids in your life, be they niece, nephew, sibling, cousin or your own precious offspring, then be sure to take them along, because there's always been one fundamental truth about comic books: *Kids love 'em!* They love them, even if they don't know it yet!

We've heard so many great stories coming out of these annual FCBD events, of kids who never showed an active interest in reading, getting their first comic books and transforming, as if a cosmic switch had been thrown and some unused portion of their hearts and minds had been awakened by comics. A four-color miracle?! Nah... but definitely an example of why getting comics into the hands of kids not only opens up a new world of possibilities to them, but primes them to become readers well into adolescence and adulthood. Which is a good thing.

Here's hoping that this note is catching your attention before May 1st, time enough to take part in FCBD. And even if you are hitting the comics shop on your own, well, nothing beats getting something you love for free. Am I right?

So until next month, I have been,
and always shall be...

Your Pal @ ***PREVIEWS***,

Marty

JIMshooterJIMshooterJIMshooterJIMshooterJIMshooterJIMshooterJIMshooterJIMshooterJIMshooterJIMshooter

This month's featured creator is... JIM SHOOTER

Jim Shooter began his career writing the *Legion of Super-Heroes*, *Superman* and other titles for DC Comics when he was 13 years old.

After working his way through high school and a brief but successful stint in the advertising business, he was hired as editor of Marvel's color comics line. In addition, he collaborated with Stan Lee on the hit syndicated newspaper strip *The Amazing Spider-Man*.

Promoted to Editor in Chief of Marvel Comics in 1978, he was a key figure in the creative and marketing effort that helped establish Marvel as the dominant American comic book publisher. As Marvel's head of creative affairs, Shooter was called upon to develop the *Transformers* and other toy properties for entertainment; oversee the creation of Mattel's Marvel character toys; collaborate with Hollywood producers to develop Marvel properties for film and television and work closely with international publishing licensees.

In 1989, Shooter founded Voyager Communications Inc., publishers of VALIANT comics, where, besides creating a pantheon of characters, he redeveloped the classic Gold Key Comics characters *Magnus Robot Fighter*, *Doctor Solar, Man of the Atom* and *Turok, Son of Stone*.

Shooter subsequently did film and entertainment development work for Fox, Saban Entertainment, Phobos Entertainment, and others.

In 2008, Shooter was inducted into the Overstreet Hall of Fame for comic book creators alongside *Spider-Man* co-creator Steve Ditko and *X-Men* co-creator Dave Cockrum.

Currently, Shooter serves as the creative director, principal writer and developer for Illustrated Media, Inc. Through Illustrated Media, Shooter is again redeveloping the classic Gold Key properties, *Magnus Robot Fighter*, *Turok, Son of Stone*; *Doctor Solar, Man of the Atom*; the *Mighty Samson* and others for Dark Horse Comics.

Doctor Solar, Man of the Atom and *Magnus Robot Fighter* were chosen to star in Dark Horse Comics' Free Comic Book Day special, which will be available in comic book shops everywhere on May 1st. Shooter will be appearing at a signing event on FCBD at Jim Hanley's Universe in midtown Manhattan.

MARVEL'S MUTANTS FACE A NEW BEGINNING IN *X-MEN #1!*

In recent months, the X-Men have faced grave threats — the restoration of Magneto, the return of Cable and Hope, the Mutant Messiah, from the future and the battle that ensued for the fate of mutantkind — and have witnessed the welcome return of one of their own, Kitty Pryde, from presumed death. Following in this wake of both great tragedy and great triumph, Marvel Comics' mutant heroes face a new beginning with the debut of an all-new *X-Men* #1!

In a story ripped from today's headlines, San Francisco reels from an attack by a suicide bomber. Terrorism has come to the shores of the United States, and the populace quakes in fear. Who will be the next target? Where? The X-Men, having adopted San Francisco as their new home, have a personal stake in bringing the terrorists to justice. But this is no ordinary terrorist cell feeding on the fear of San Francisco's citizens. No, it is the vampires who are seeking to disrupt society, to stake their own claim on control of the world. And the X-Men, as mutants themselves the next step in human evolution, will have to wage a war against another species, the vampires, with the fate of the Earth in the balance!

Victor Gischler, the celebrated crime novelist and writer of *Deadpool: Merc with a Mouth* and *The Punisher: Frank Castle MAX*, chronicles "Mutants Versus Vampires," the next chapter in the amazing career of the X-Men. Joined by *Deadpool* artist Paco Medina, *X-Men* promises hard-hitting stories and dynamic artwork for a series that will be a real treat!

The X-Men are all that stand between humanity and the vampires that would hunt them, and before the war is done the Marvel Universe will convulse. This marks the start of a brand new era for one of Marvel Comics' most storied teams as *X-Men* #1 debuts this July. Are you ready?

IN THE AFTERMATH OF SECOND COMING, THE X-MEN FACE AN ALL-NEW THREAT — A VAMPIRE INVASION OF SAN FRANCISCO!

On August 13th, director Edgar Wright and Universal Studios bring the epic story of a Canadian slacker's quest for love to the big screen! A month before, though, the graphic novel series comes to the close with *Scott Pilgrim's Finest Hour*. After years in the making, this love letter to anime, video games, and coming-of-age-tales comes to a shocking conclusion as Scott must defeat Ramona's seventh and final evil ex!

DISCOVER JIM LEE'S ARTWORK IN TITAN'S *ICONS*

Twenty years ago Jim Lee's X-Men #1 became the best-selling comic book of all time, selling 7.7 million copies. His detailed, dynamic artwork made him a fan-favorite, and he became one of the founding partners of Image Comics, creating books such as *WildC.A.T.s* and *Deathblow* and helping creators launch their own creations, such as Kurt Busiek's Astro City. Today, Lee is the Co-Publisher of DC Comics. His Wildstorm imprint, home to *WildC.A.T.s* and its universe, is a vibrant part of the DC Comics publishing empire. He has worked on *Batman* (*Hush*) and *Superman* (*Superman For Tomorrow*), his character designs have become the face of DC Comics on merchandise, and he is a guiding force behind the design of the upcoming MMORPG *DC Online*.

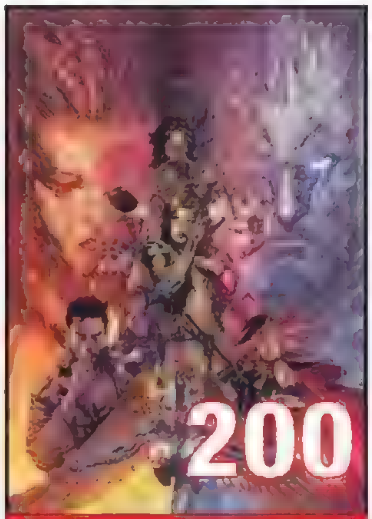
Icons: The DC and Wildstorm Art of Jim Lee profiles the popular and influential artist. In addition to an interview with Bill Baker, the most comprehensive interview Lee has given, that covers the breadth of his career, fans will find an exclusive 10-page *Legion of Super-Heroes* story written by Paul Levitz and drawn by Lee, and artwork drawn from Lee's archives of the DC and Wildstorm universes. The *PREVIEWS* exclusive edition of *Icons* features a special Lee cover and additional pages of rare Lee artwork. No fan of Jim Lee and no student of comics history will want to miss out on this intimate look into the mind of one of comics' legendary creators.

WHEN THE *ARTIFACTS* COME TOGETHER, IT'S TOP COW'S BIGGEST EVENT EVER!



TOP COW PRODUCTIONS, $2.99, 22 Pages, Page 200

Get ready to rock the Top Cow Universe this summer as Top Cow Productions debuts their biggest event ever — *Artifacts!*

The past few years have seen one event after another, from First Born to the War of the Witchblades, rock Top Cow Universe to its core. These events were not isolated, and unbeknownest to everyone involved, they were building toward the biggest event of them all, as someone has been manipulating events to bring the heavenly artifacts, like the Witchblade and the Darkness, together and instigate Armageddon!

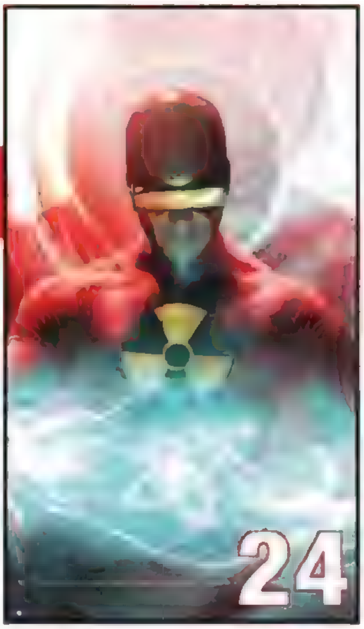
For Sara Pezzini, the Witchblade, and Jackie Estacado, the Darkness, the stakes are personal, as their daughter, Hope, has been kidnapped. Patience, the Magdalena, has seen her faith in the Church broken, and she will have to choose a side in the coming conflict. And others, like Cyberforce, are drawn into a battle that will determine the fate of the world.

The 13-issue mini-series, beyond remaking the Top Cow Universe and setting the stage for stories to come, also makes the perfect ground floor for new readers as each issue will have "Top Cow Origins" back-up stories by some of comics' biggest stars. With an all-star line-up of creators, including Ron Marz, Marc Silvestri, Michael Broussard, and many others, *Artifacts* is the Top Cow event that no comics reader will want to miss!

IT'S THE TOP COW EVENT FIVE YEARS IN THE MAKING, AND THE TOP COW UNIVERSE WILL NEVER BE THE SAME!

SILVER AGE HERO DOCTOR SOLAR RETURNS FOR ANOTHER AGE

DARK HORSE COMICS, $3.50, 40 Pages, Page 24



Controversial comic's writer Jim Shooter returns to one of his most famous characters with this new beginning for *Doctor Solar!*

When created back in 1962 during the Cuban missile crisis, the character was an interesting escape into a world where a man was powered by nuclear energy and had to wear a protective suit in order to shield those around him from his energies.

Shooter took the character in a radical new direction in the 90's. He saw the timeless quality of the character as being both above and isolated from humanity, and reflected the character as such in his stories. Here, Doctor Solar was akin to a god, but saw his attempts at heroics have repercussions throughout the entire world.

This year, Shooter reimagines the Man of The Atom yet again. This time, he pits the man of limitless potential against a man who is in every way his equal.

Doctor Solar is the first act in an explosive program that will see Shooter reimagine classic characters *Magnus, Robot Fighter*, and *Turok, Son of Stone* for the 21st century!

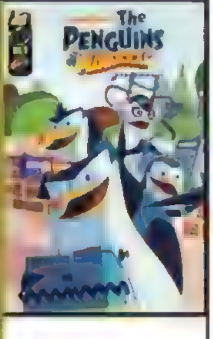
THE *PENGUINS OF MADAGASCAR* ARE BACK FOR COMICS FUN



Dreamworks' *Madagascar* starred a group of New York City zoo animals who escaped their confinement and went in search of their ancestral home. The CGI animated film's breakout characters, the army of penguins, receive a comic spin-off series this summer from Ape Entertainment in *The Penguins of Madagascar*. Expect all the fun of the movie as these Arctic fowl get involved in all-new adventures and all-new hijinks!

- DELUXE SIGNED EDITION, 152 Pages, $[illegible]

Neal Adams. One of the classic artists of the 1970s, a stylist who brought realism and mood to a medium that had become mired in the Silver Age. His work on *Batman* helped to define the modern image of the character. His work on *Green Lantern/Green Arrow* helped to make comics relevant and topical. Adams was at the forefront of the small press movement, founding Continuity Comics in 1984. Beyond comics, his work in commercial illustration and design influenced the products we buy and the advertising we see.

Vanguard Productions looks at this influential artist, his long career, and the variety of his work in *The Art of Neal Adams*. With both familiar and rarely-seen artwork, *The Art of Neal Adams* presents an unprecedented look at Adams and his artistic creations. Each piece represented is annotated by Adams, providing insight into his working methods. Available in two editions, a Hardcover edition or the *PREVIEWS* Exclusive Deluxe Slipcased Edition that comes signed by Adams with 16 additional pages, *The Art of Neal Adams* is a book that no student of comics history will want to miss.

VAMPIRES HAVE MUCH TO FEAR IN THIS SUMMER'S *PRIEST: PURGATORY*

- TOKYOPOP, $3.99, 32 Pages, Page 340

Tokyopop, long known for both their original and their reprint manga volumes, enters the realm of comic books this summer with *Priest: Purgatory*, the first part of a four-issue sequel to the best-selling and long-running manga series, *Priest!*

Created by Hyung Min-woo, *Priest* combines supernatural horror, John Woo styled gunplay, dark fantasy, and the Western for a unique concoction of a post-apocalyptic battle between humanity's protectors and the vampires and fallen angels who would prey upon them. Next January, Paul Bettany (*The Da Vinci Code*) will star in a film based on the Tokyopop series alongside Karl Urban (*Star Trek*), Brad Dourif, and Stephen Moyer (*True Blood*). *Priest: Purgatory* bridges the gap between the original series and the film with an all-new story from Dan Jolley and Diego Yapur.

If it's supernatural action you want, *Priest: Purgatory* will hear your confession this summer!

Iron Man's most advanced armor ever, the Extremis Armor, is brought to life this summer by the artists of Bowen Designs, just in time for the highly-anticipated Iron Man 2! A sleek, nanotech design, the Extremis Armor was an extension of Tony Stark's body and interfaced directly with his mind. Sculpted by Avinash Hegde, the *Iron Man: Extremis Armor Statue* stands 12" tall.

428 UNLEASH THE INNER WOLVERINE WITH KOTOBUKIYA'S NEW STATUE

When the X-Men have downtime, they hone their skills in the Danger Room, a holographic training simulation where they can unleash their powers. Wolverine is a frequent user of the Danger Room, and he can unleash his berserker rage on enemies real and imagined, as Kotobukiya's *Wolverine X-Men Danger Room Sessions Fine Art Statue* depicts. Sculpted by Erick Sosa and standing 9" tall, this glowing statue captures the fury that beats within Wolverine's breast!

461 TAKE COMMAND OF VOLTRON WITH AN ALL-NEW MINIATURES GAME

The fan-favorite 1980's animated series, *Voltron*, returns this spring with the *Voltron Battle Miniatures Game!* Gamers use their figures of the mighty Voltron, Defender of the Universe, or the robeast Lo-tron to control the spacelanes. With multiple maps, energy blasts, space hazards and more, this is the strategic game every *Voltron* fan has wanted!

463 ADD IRON MAN'S ARMOR WARS TO YOUR HEROCLIX CAMPAIGN

One of the classic *Iron Man* storylines, "Armor Wars," can be your next HeroClix campaign with the *Marvel HeroClix Classics: Iron Man Armor Wars Mega Battle Pack!* Gamers get six figures — Iron Man, Black Widow, Nick Fury, Iron Monger, and Crimson Dynamo among them — plus character cards and rules. Add these figures to your collection and replay one of Iron Man's most acclaimed stories!

Empowered by a thermonuclear catastrophe, Doctor Solar discovers that he can *control energy* . . . Immeasurable strength is his at a whim. Power beyond imagination courses through his body. But he knows that the same kind of science run amok that created him can also empower the wicked. In the aftershock of the cataclysm that created Doctor Solar, ripples throughout spacetime imbue one Whitmore Pickerel with the power to *create life*—which he uses to serve his selfish desires and reckless ambitions. His newly created being, Leviathan, invulnerable and immeasurably strong, clashes with the Man of the Atom in a fierce battle that ravages the city. Meanwhile, for his personal amusement, Pickerel creates Glow, a living fantasy of unearthly charms . . . and deadly possibilities!

CONAN:

THE FRAZETTA COVER SERIES #5

Timothy Truman (W), Cary Nord (P), Tomás Giorello (P), Richard Isanove (C), and Dave Stewart (C)

On sale July 28	FC, 72 pages
$6.99	MINISERIES

The fifth installment in *Conan: The Frazetta Cover Series* features both Frank Frazetta's tense, dramatic *Man-Ape* painting and an adaptation of Robert E. Howard's "Rogues in the House"—as interpreted by Timothy Truman, artists Cary Nord and Tomás Giorello, and colorist Richard Isanove. A longtime Howard favorite, this seminal Conan story first appeared in *Weird Tales* in 1934, and Frazetta's *Man-Ape* piece is one of his few Conan paintings to make a direct reference to one of Howard's works.

Our favorite barbarian has been living as a thief for some time, and his crimes are catching up with him. Becoming enmeshed in the plans of a treacherous nobleman and a dark priest, Conan finds himself making some strange allies in order to free himself from the labyrinthine booby-trapped halls in the Red Priest's stronghold. Stalked by a mysterious, hulking horror that's grown out of control, Conan and the nobleman make a wary alliance with the Red Priest himself!

On sale Sept 29	FC, 216 pages
$18.99	TPB, 7" x 10"

The Chronicles of Kull Volume 3 collects the last nine exciting *Kull the Destroyer* comics, tying up all of the loose ends from the previous two volumes and culminating in the most important fight of the former Valusian king's life—the battle for the Topaz throne and his former crown! Kull will need the help of an enigmatic warrior woman, Laralei, and an unlikely ally in arms, Ridondo the minstrel, if he is to conquer a giant extradimensional creature, three scheming wizards, and the wizard's skull-headed master and again rule the Purple Kingdom!

›› Volume 3 reprints *Kull the Destroyer* #21–#29, the short story "The Mirrors of Tuzun Thune" from *Conan the Barbarian* #25, *Conan the Barbarian* #63, "Beast from the Abyss" from *Conan Annual* #3, and a special cover gallery.

DR. HORRIBLE

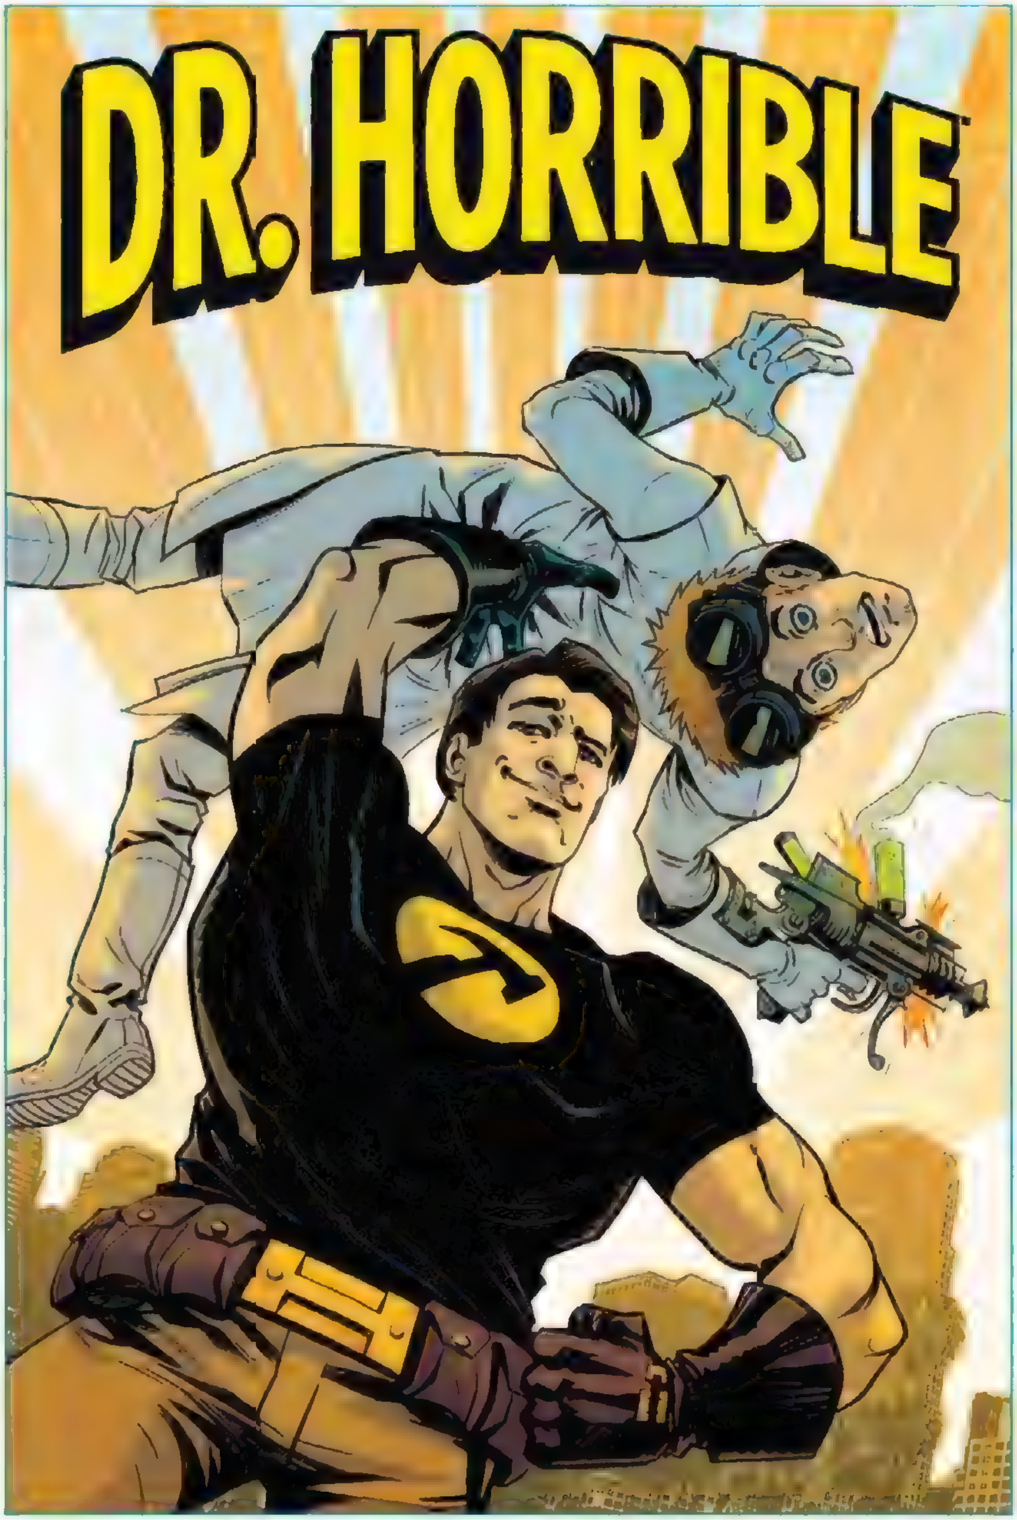
Zack Whedon (W), Eric Canete (P), Farel Dalrymple (P), Joëlle Jones (P), Jim Rugg (P), Dan Jackson (C), and Kristian Donaldson (Cover)

On sale Sept 22	FC, 80 pages
$9.99	TPB, 7" x 10"

Based on the Emmy Award–winning web series *Dr. Horrible's Sing-Along Blog*, this collection of stories written by **Zack Whedon** (*Deadwood*, *Fringe*) chronicles some of the earliest adventures in the lives of archenemies Captain Hammer and Dr. Horrible.

This anthology solves many unanswered questions left over from the show. For instance: What event inspired Dr. Horrible to become the world's greatest criminal mastermind? Why is Penny, the beautiful girl from the Laundromat, still single? How can you, the reader, be like blustering do-gooder Captain Hammer? And why is Horrible's sidekick, Moist, so . . . um . . . well, you'll find out!

- **Collects the first issue of *Dr. Horrible* with all three digital comics from *MySpace Dark Horse Presents*.**
- **Includes a never-before-seen sixteen-page story, about the *top secret* organization The Evil League of Evil.**
- **Dark Horse's *Dr. Horrible* iTunes app rose to number one in twenty four hours, beating out the Bible and Dr. Seuss.**



Not final cover.

VOLUME 6

Adam Warren (W/A)

On sale Sept 8	B&W, 208 pages
$16.99	TPB, [illegible]

After a fiery disaster claims the lives of several teammates, costumed crimefighter Empowered stumbles upon an ugly little secret of the masks-and-tights business: a growing number of ill-fated superheroes have found out the hard way that, while their *bodies* are still mortal, their *superpowers* are not . . . Now, only our downtrodden but doggedly determined heroine can save the (semi)living superdead from a very genuine "fate worse than death," while simultaneously grappling with the challenges of vengefully vacationing ninja clans, car-trunk carpet burn, superhero-fantasy-league drafts, excessive bedroom chatter, and deals with the devil both figurative and literal! All this, plus Emp's not-so-secret origin is revealed at last!

- **Adam Warren's work on *The Dirty Pair* is well known to U.S. comics readers.**

> ***"A sort of R-rated sitcom exploring geek culture from the inside out,* Empowered *has its cake and eats it too—it's full of exploitative, titillating imagery, but it also features the healthiest and the most realistic romantic relationship in any comic book featuring capes and masks."***

VAMPIRE BOY

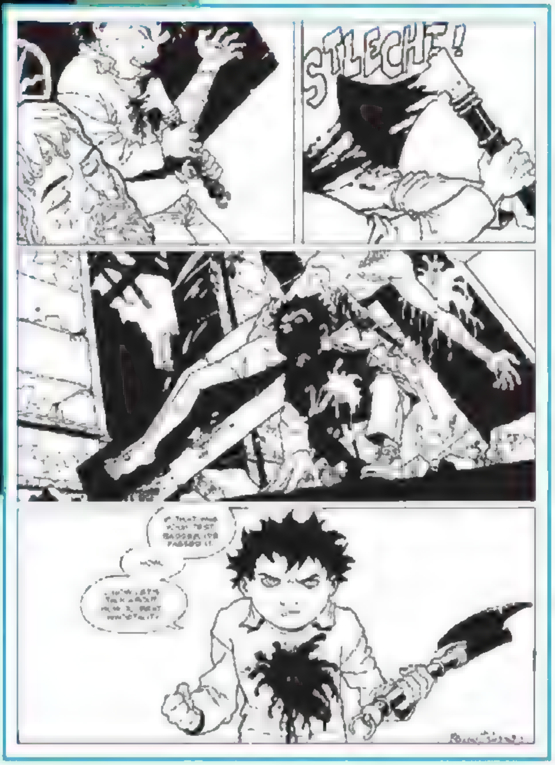
Carlos Trillo (W) and Eduardo Risso (A)

On sale Sept 22	B&W, 480 pages
$24.99	TPB, 6" x 9"

Left nameless by his father and sentenced to eternal life by a trick of fate and fortune, the protagonist of Carlos Trillo and Eduardo Risso's *Vampire Boy* has spent fifty centuries in a body that never ages, locked in an eternal struggle with a rival as immortal as he.

Acclaimed writer Carlos Trillo teams with legendary artist Eduardo Risso (*100 Bullets*) to produce a poignantly engrossing twist on the classic vampire mythos, now collected in English for the first time!

- **Writer Carlos Trillo has worked with some of the giants of the international comics scene, including Alberto Breccia and Jordi Bernet. Acclaimed artist Eduardo Risso is known for his work on titles like *100 Bullets*, *Aliens*, and more.**
- **Collected in English for the first time!**



GIANT SIZE LITTLE LULU

VOLUME 2

John Stanley (W/A) and Irving Tripp (A)

On sale Sept 15	b&w, 672 pages
$24.99	TPB, 6" x 9"

Presenting another seventeen laugh-out-loud installments from the beginning of John Stanley and Irving Tripp's landmark run on *Little Lulu*, the funniest funnybook of them all!

After a few try-out issues in Dell's *Four Color*, Stanley and Tripp got the go-ahead to turn *Little Lulu* into a monthly comic. The duo took the opportunity to show that they had only been warming up, producing stories even more ingenious and artwork even more beautiful than their *Four Color* issues.

- **›› Collecting three more of the earliest, out-of-print volumes of Dark Horse's acclaimed reprint series, this massive 600-page-plus omnibus contains issues #6–#22 of *Little Lulu*—featuring Lulu Moppet and her friends in all sorts of charming, witty fun.**

LITTLE LULU'S PAL TUBBY VOLUME 1:

THE CASTAWAY AND OTHER STORIES

John Stanley (W/A)

On sale Sept 1	FC, 224 pages
$14.99	TPB, 6" x 9"

From the pages of *Little Lulu* comes *Tubby*!

The comedic genius of John Stanley couldn't be contained by one series alone, so in 1952 Lulu's pal Tubby made his solo debut in his own hysterical comic. Filled with all the charm and hilarity of *Little Lulu*, *Tubby* is a familiar but different delight from comics legend John Stanley!

Dark Horse is proud to present these never-before-reprinted gems from comics' golden age in a new series of paperback collections. Like Dark Horse's new *Little Lulu* series, *Tubby* is printed in full color, just as the comics appeared over fifty years ago!

- **Reprinting *Marge's Tubby* #1–#6 for the first time ever, in full color!**
- **Published quarterly at first, *Tubby* included John Stanley's only published cartooning work of the 1950s. In fact, Stanley was inspired to draw issues #2–#9 in their entirety.**

VOLUME 6

Mi-Kyung Yun (W/A)

On sale Aug 18	b&w, 184 pages
$9.99	TPB, 5 7/8" X 8 1/4"

At the start of this series, Soah was willing to sacrifice her life to the feared god Habaek to save her drought-stricken village on Earth. However, she wasn't killed by the powerful Water God—she was rescued and taken to the magical kingdom of Suguk. Once there, she met moody gods of the elements and a mysterious husband who took her as his bride but then spurned her. While Habaek yearns to treat Soah as a proper husband would, he's cursed to live in the form of a little boy during the day, only reverting to his true adult self at night. Trying to keep this strange secret from Soah, he hides behind the fake identity of "Mui" at night, when he competes with other unusual gods for her attention. Will this be the volume in which the Water God finally spills the truth to Soah—or will other conspiring, jealous gods succeed in driving a permanent wedge between him and his human bride? Cursed and pursued by an unknown, shape-shifting tormentor, Habaek is also led to believe that his previous human bride is still alive!

60TH ANNIVERSARY CLASSIC PEANUTS #3:

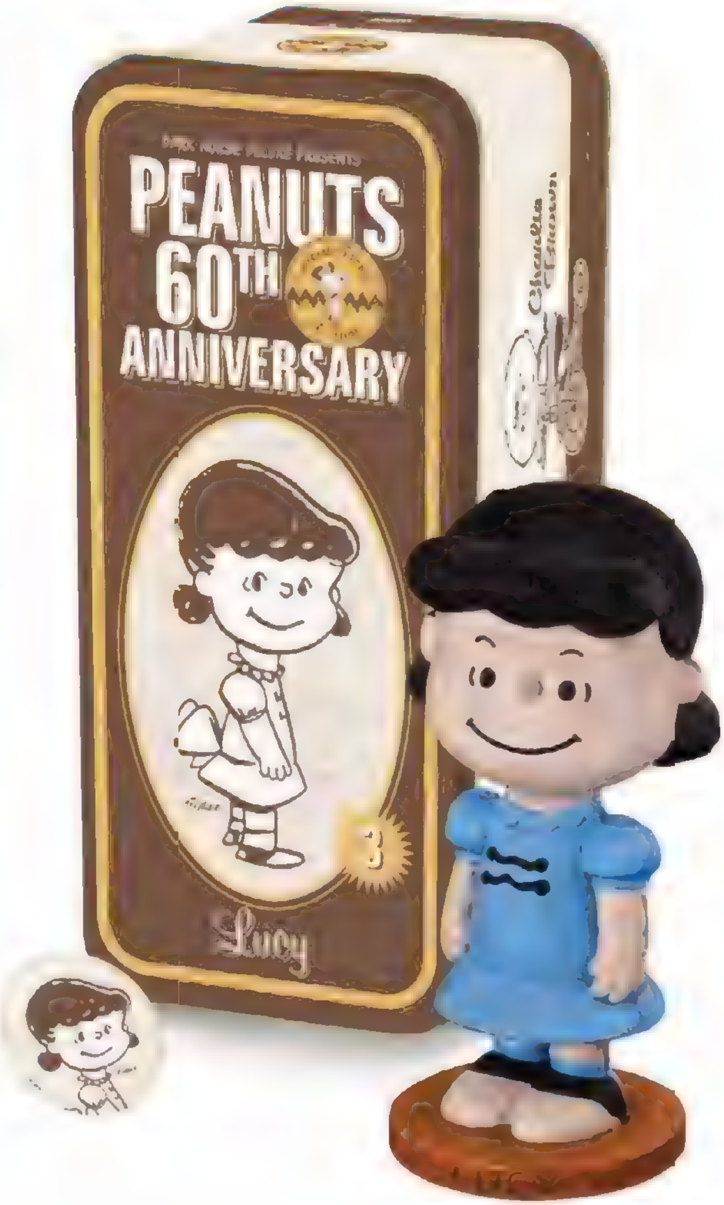
LUCY

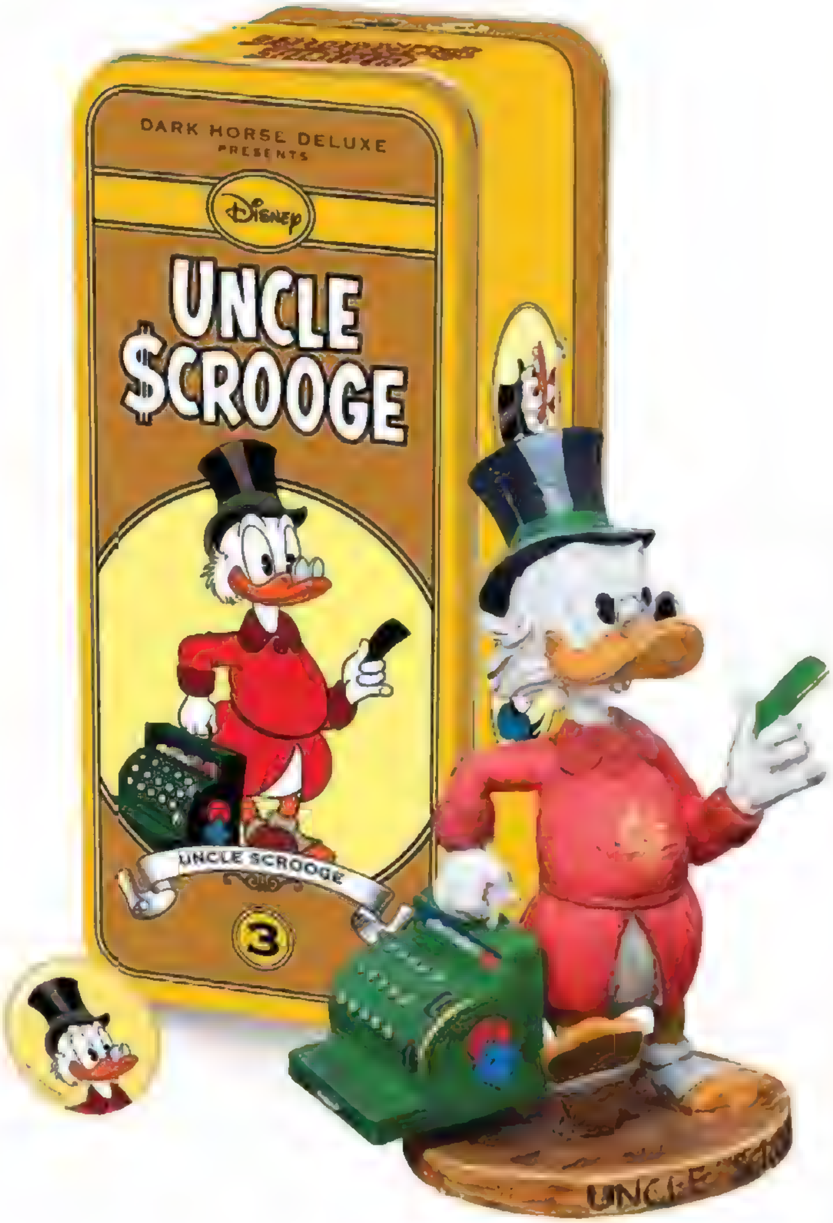
- >> On sale Aug 4
- >> Limited to 950 numbered pieces
- >> Packaged in its own tin box, with a pin-back button and a character booklet
- >> $49.95

Dark Horse continues its yearlong celebration of Charles Schulz's masterpiece, *Peanuts*. *Peanuts* premiered on October 2, 1950, in eight newspapers. As we all know, it grew to become probably the most popular comic strip ever.

United Media is letting us go back to the original look of the characters from 1950, which was considerably different than today's look, and sculpt statues in a special sixtieth-anniversary limited-edition series of the five main characters. Sculpted by Yoe! Studio.

Now you can celebrate the anniversary with the addition of the world's greatest fussbudget, the bossy Lucy, to your collection!





CLASSIC UNCLE SCROOGE SERIES 2 #3:

UNCLE SCROOGE “CASH ’N’ CARRY”

- **On sale Sept 22**
- **Limited to 950 numbered pieces**
- **Packaged in a full-color, litho-printed tin box, with a character booklet and a vintage-style pin-back button**
- **$49.95**

One of our best-received Syroco-style statuette series ever has been of the characters from Carl Barks’s *Uncle Scrooge* stories.

We’re continuing our line of statues with a new series, based on specific cover images by Barks, and our third statue is “Cash ’n’ Carry.” This particular pose of Uncle Scrooge was taken from *Uncle Scrooge* #22 from June 1958.

The Uncle Scrooge series depicts the characters as they were originally presented in the comics. Sculpted by Yoe! Studio.

"The Search for Batman" starts here! Vanishing Point – where time ends – is tearing itself apart, and one of the keys to keeping reality from being torn asunder is finding exactly where Bruce Wayne is in the time stream! Rip Hunter puts together a high-powered band of Time Masters to travel throughout history in search of the World's Greatest Detective, but can even the combined might and skill of Superman, Green Lantern and Booster Gold help the Time Master pinpoint where Batman went at the end of FINAL CRISIS?

DCU fans won't want to miss this 6-issue companion series to the highly anticipated BATMAN: THE RETURN OF BRUCE WAYNE (see page 77)!

Retailers please note: This issue will ship with two covers. Please see the Previews Order Form for more information.

Two of the most popular horror properties of the last two decades collide in this harrowing 6-issue adventure of epic proportions! Co-writers Steve Niles (writer and co-creator of *30 Days of Night*) and rockstar-turned-writer Adam Jones (the band Tool) team with the amazing, moody artistry of industry legend Tom Mandrake (THE SPECTRE, BATMAN) to unleash the ultimate comic culture crossover!

When evidence of a possible cannibal killer in Wainright, Alaska, draws the attention of the FBI, Agents Mulder and Scully draw the less-than-glamorous assignment. But all is not as it seems once the agents are on the ground. Not only has the long seasonal darkness begun to fall, but there's something unnatural about a few of the locals. And what does a chilling, mysterious black ship have to do with the murders? Find out here! Co-published with IDW.

Now in trade paperback from Vertigo Crime! HELLBLAZER's John Constantine must become part of HAUNTED PALACE – a closed set reality game show – to deal with the supernatural murder of one of the cast. He enters as a "surprise" contestant and meets the other participants, learning that they all have secrets and that one of them must be "channeling" poltergeists and/or be the murderer. However, John soon learns that he is in fact in a game show which is being broadcast only to the denizens of Hell, who have chosen him to be the next contestant. Now he has to figure out who's the killer and how to escape with his soul intact.

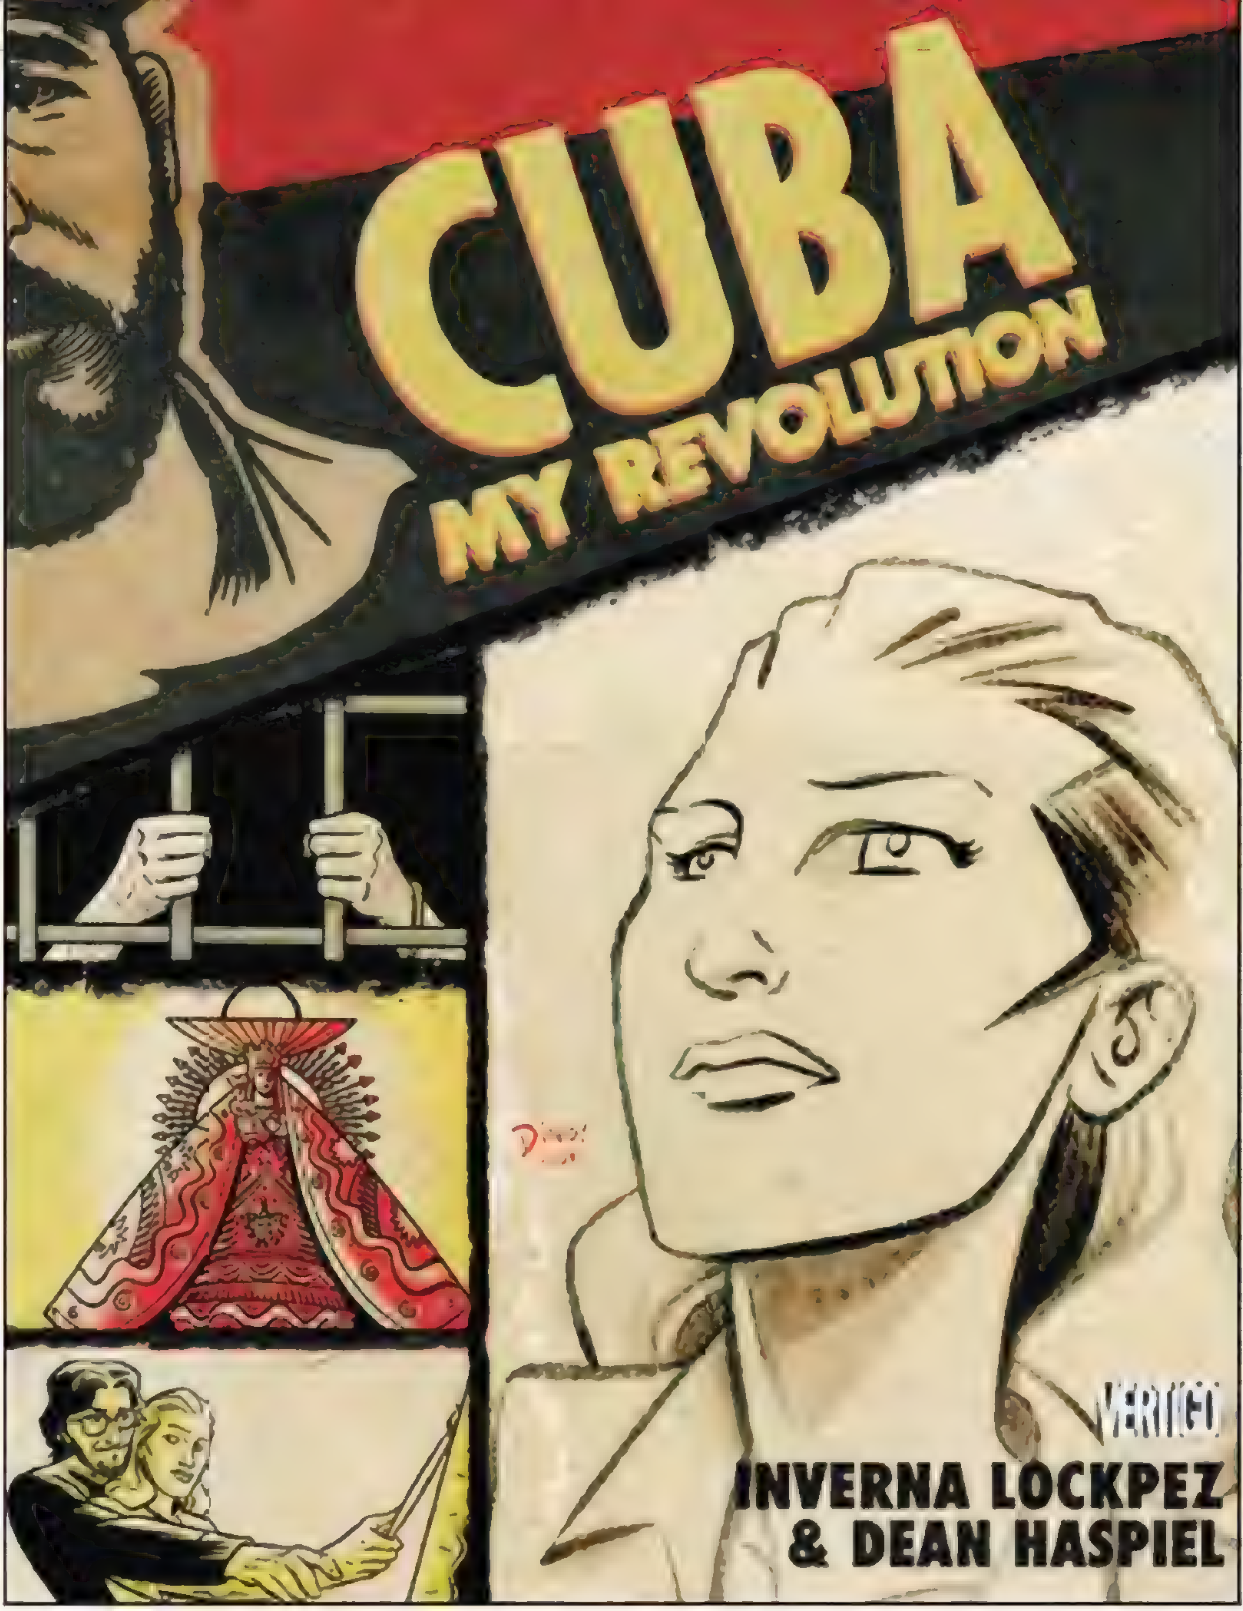
— USA TODAY/POP CANDY

Now in trade paperback from Vertigo Crime! Richard "Junk" Junkin has always lived on the edge of trouble. A former professional football star whose career was cut short by injury (and gambling problems), he now finds himself selling cars in New Jersey, dreaming of what might have been and lusting after his boss's unbelievably spoiled, unbelievably sexy and unbelievably rich daughter, Victoria. So when the boss's asks him to be her personal bodyguard as she tears up the New York City club scene, he leaps at the chance. But before long Junk becomes more of a lapdog than a chaperone, doing all of Victoria's dirty work . . . up to, and including, murder.



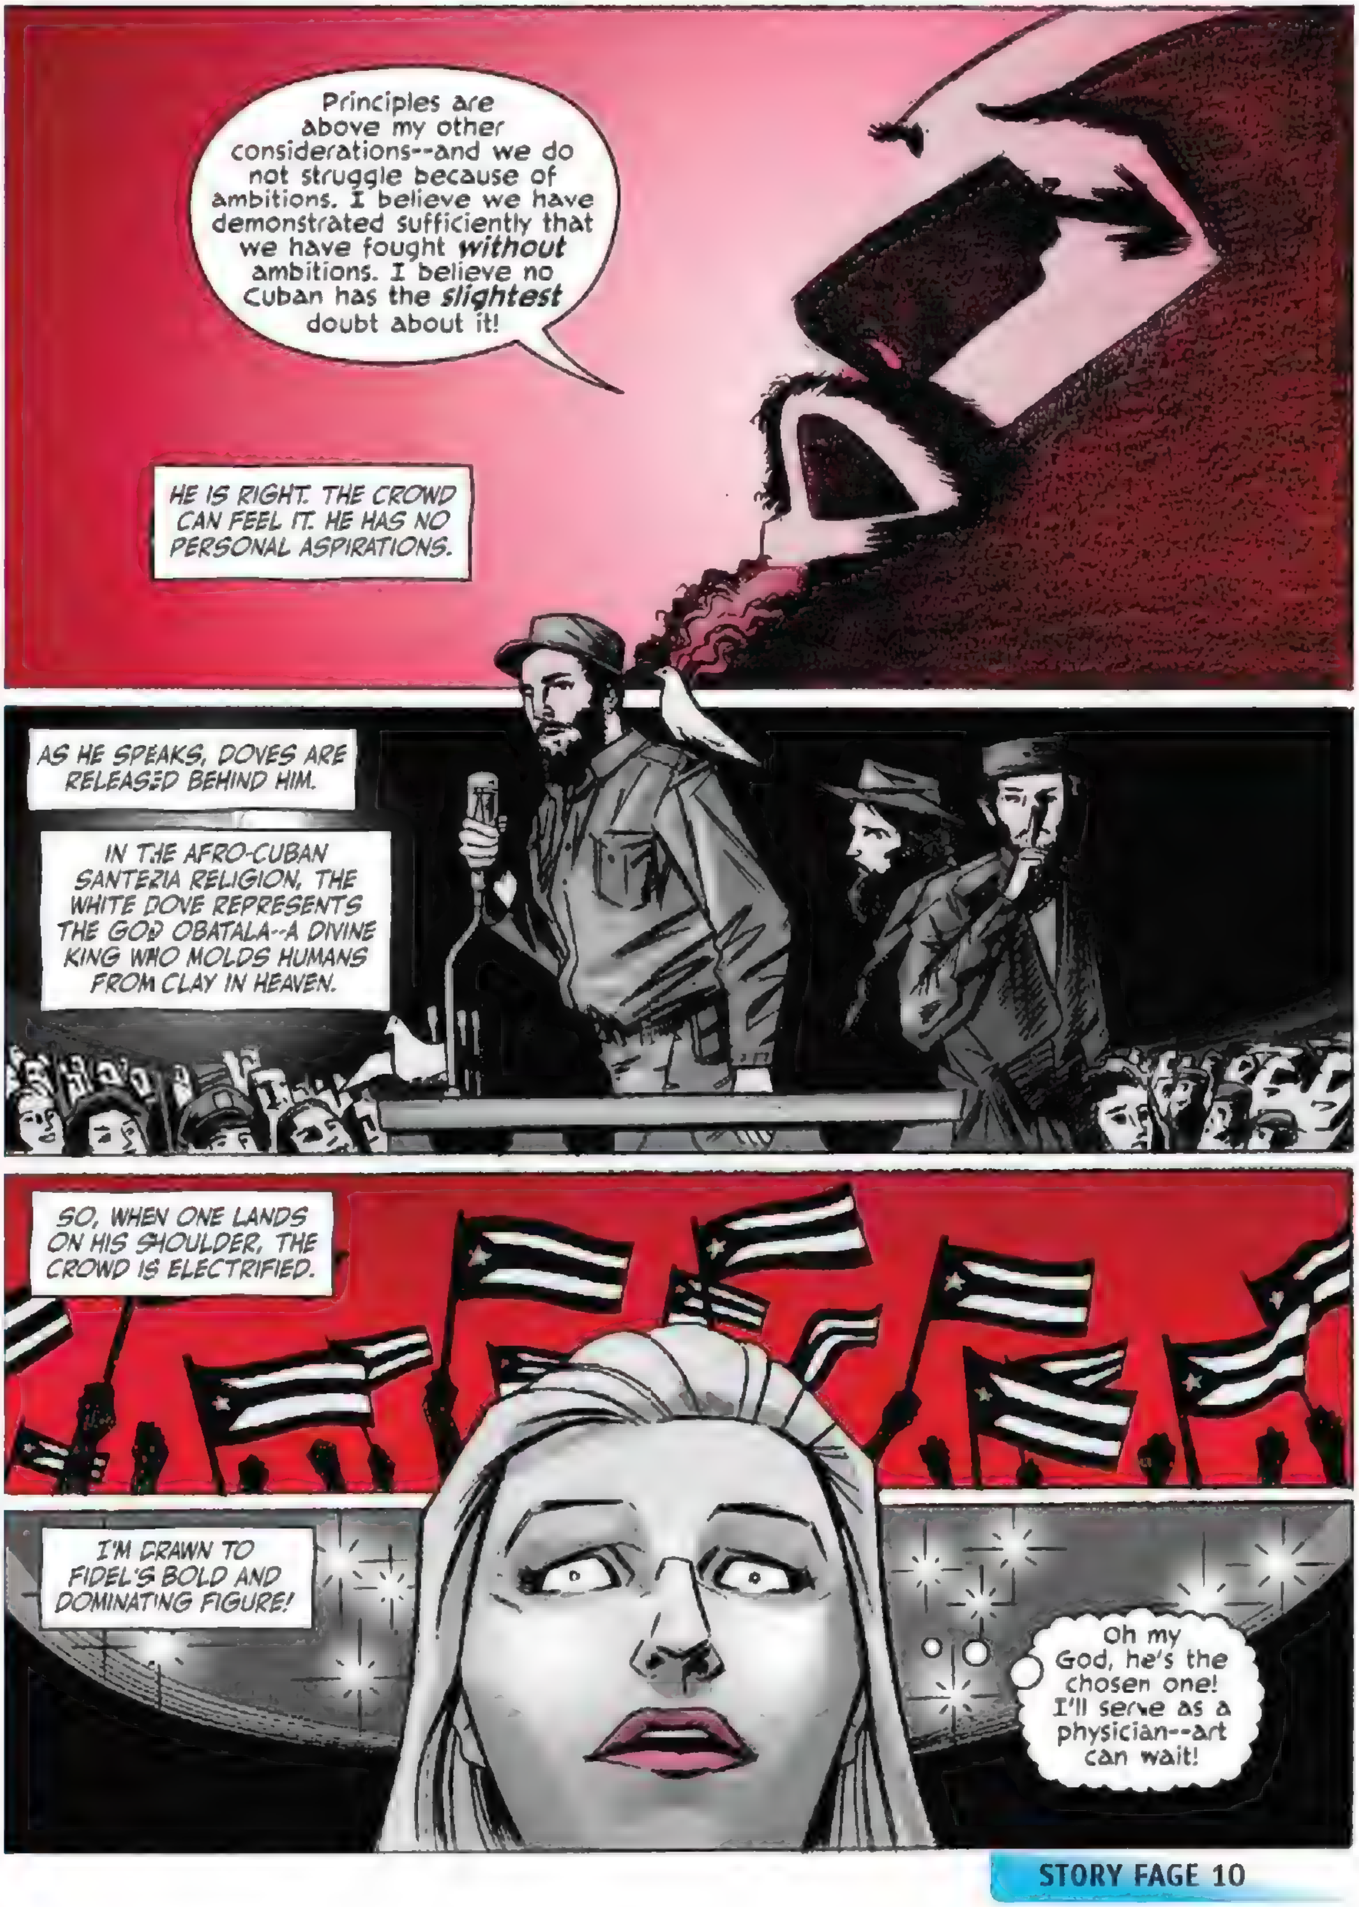
CUBA: MY REVOLUTION HC

On sale SEPTEMBER 3 • 144 pg, Two colors, $24.99 US • MATURE READERS

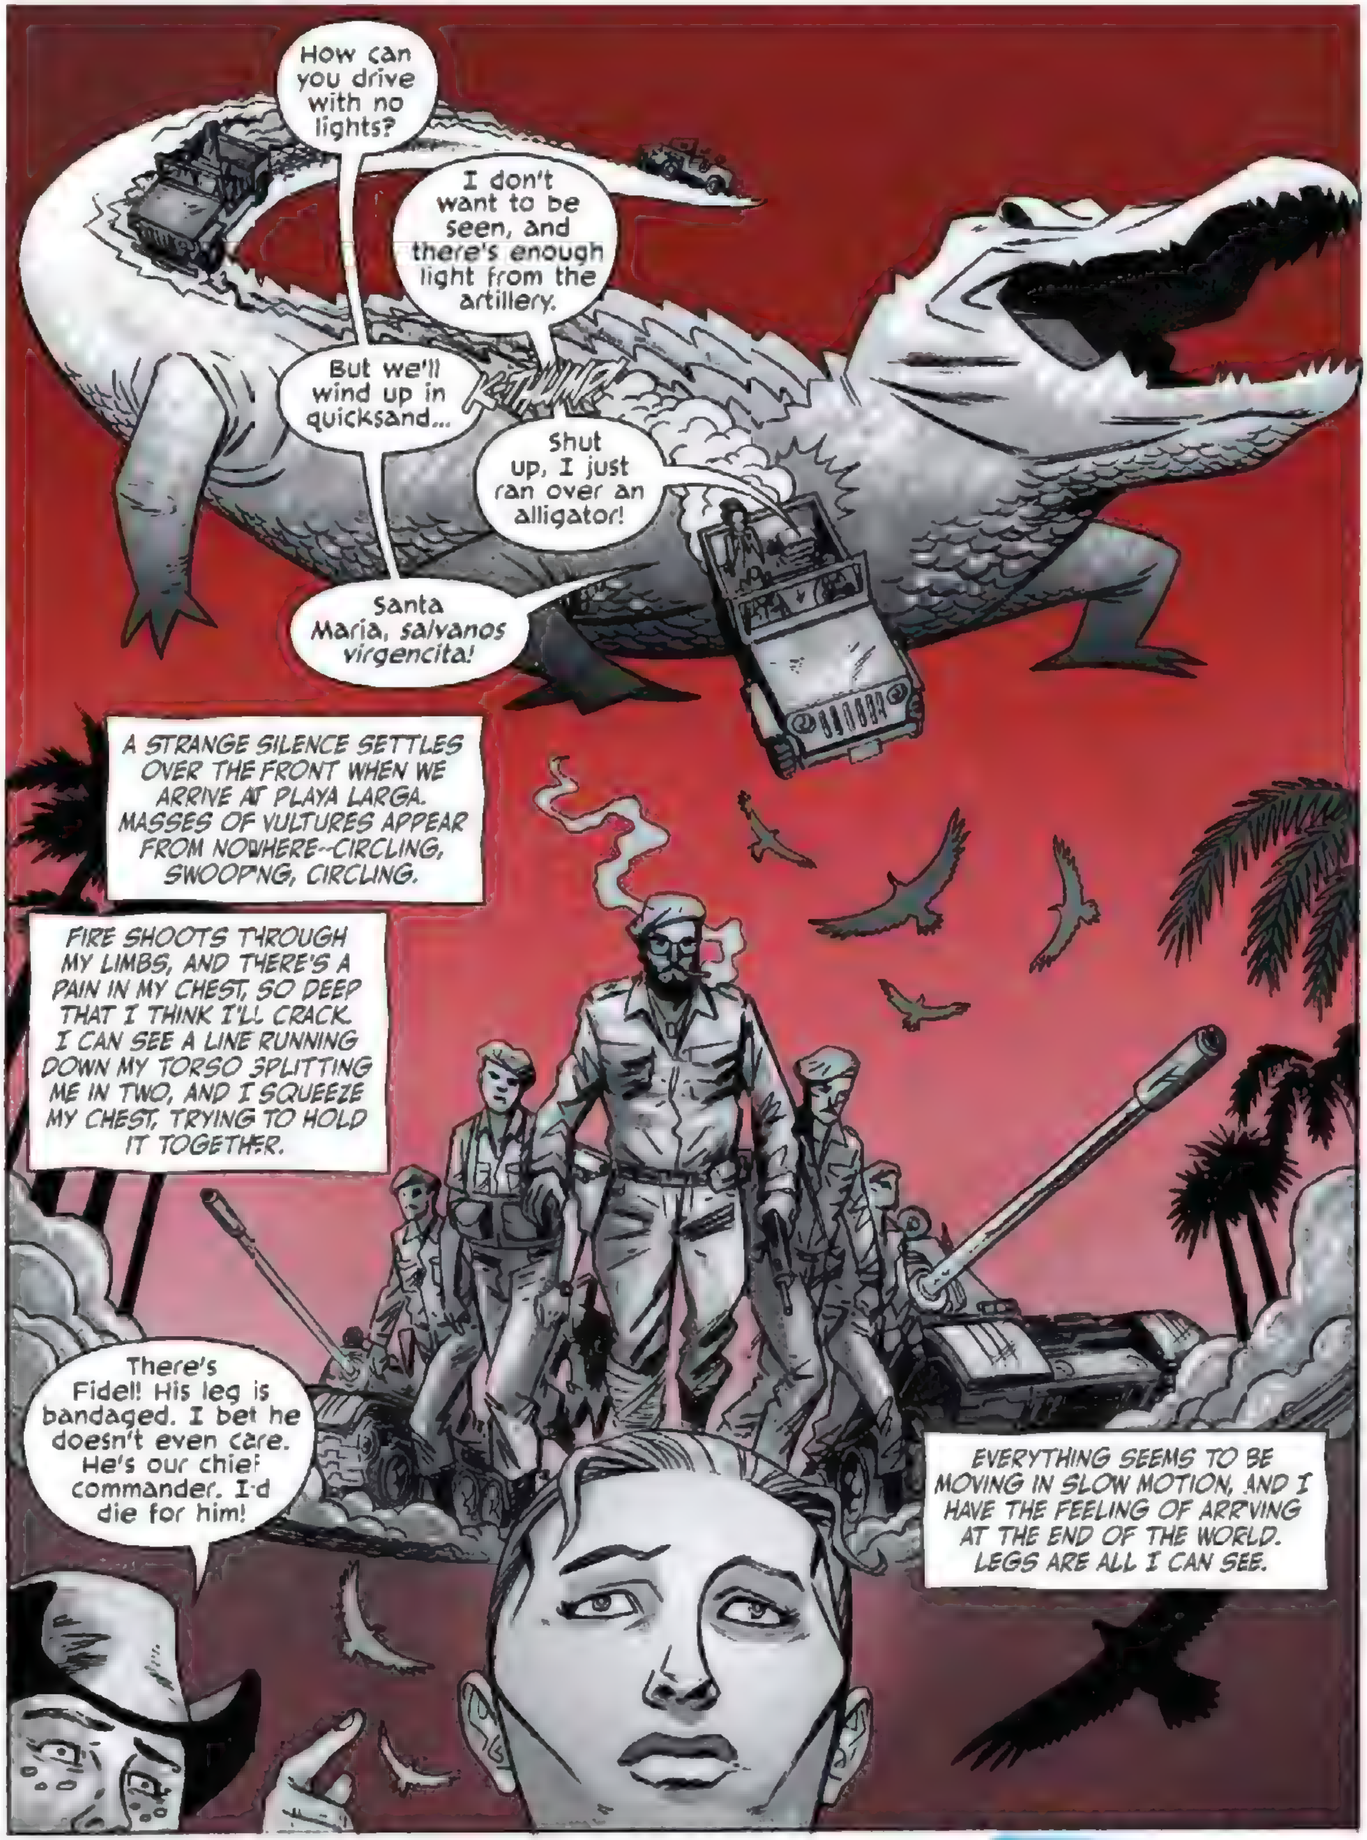
Written by INVERNA LOCKPEZ • Art by DEAN HASPIEL • Cover by DEAN HASPIEL

From the moment Fidel Castro captures Havana in 1959, 17-year-old Sonya believes in the promise of the Cuban Revolution. A medical student who dreams of becoming a painter, she joins the militia and finds herself caught between idealism and ideology. As a volunteer medic at the Bay of Pigs, she's imprisoned and tortured by her own comrades. Physically and emotionally scarred upon returning home, Sonya searches for fulfillment in art. But when she realizes that none of her efforts, by gun or brush, fall in line with Castro's regime, Sonya must make agonizing choices between her family, her lover and her beloved country.

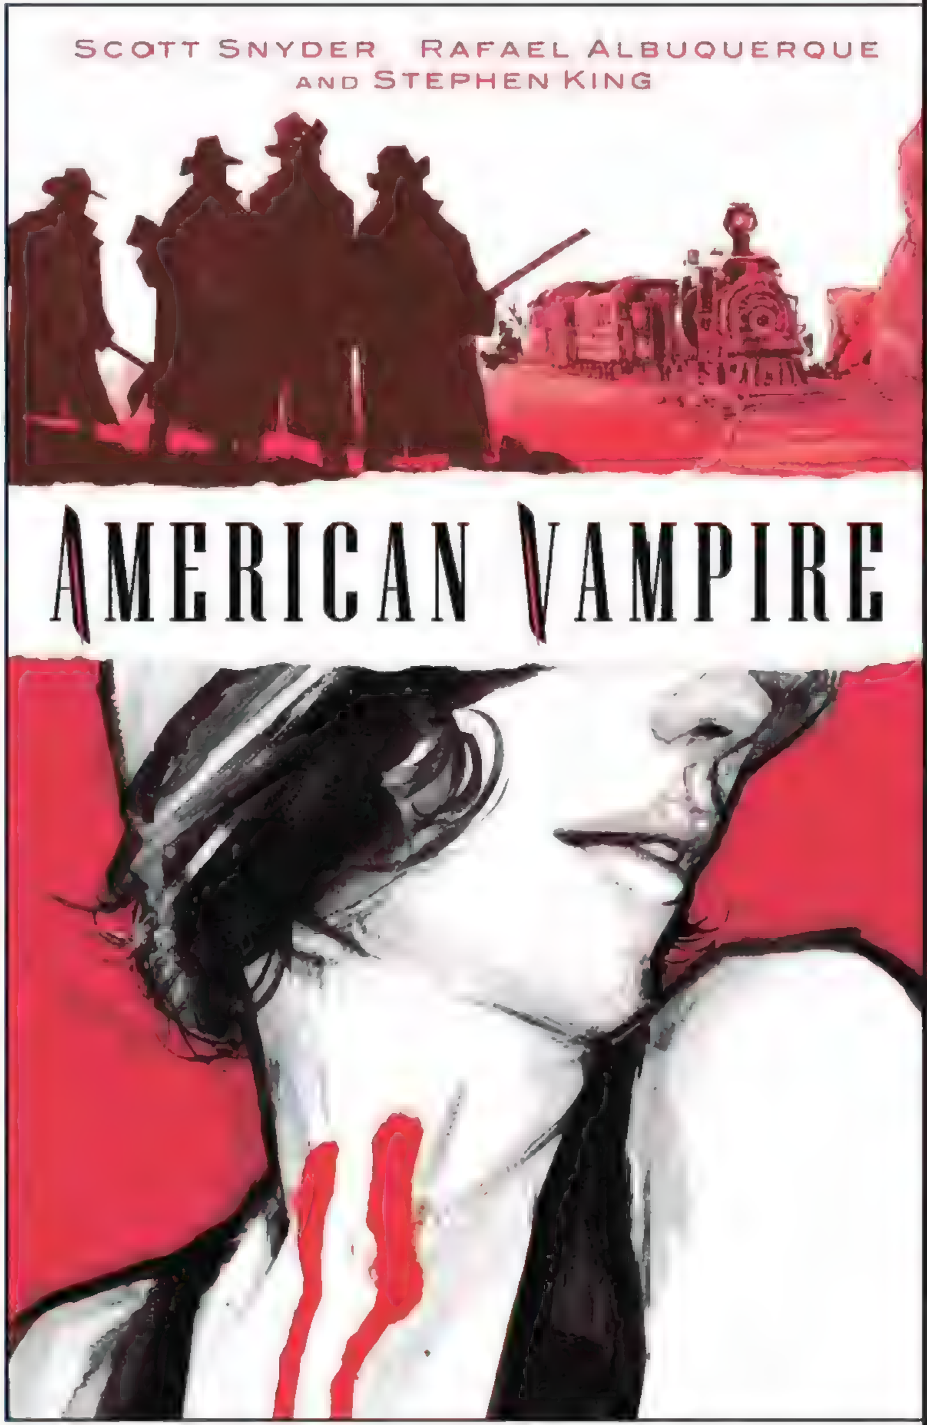
This graphic novel is inspired by the true experiences of first-time author and Havana-born artist Inverna Lockpez, with stunning art by the Eisner-nominated Dean Haspiel (THE ALCOHOLIC, THE QUITTER, AMERICAN SPLENDOR) in a lush red-and-black palette created by colorist José Villarrubia.



Principles are above my other considerations--and we do not struggle because of ambitions. I believe we have demonstrated sufficiently that we have fought *without* ambitions. I believe no Cuban has the *slightest* doubt about it!
HE IS RIGHT. THE CROWD CAN FEEL IT. HE HAS NO PERSONAL ASPIRATIONS.
AS HE SPEAKS, DOVES ARE RELEASED BEHIND HIM.
IN THE AFRO-CUBAN SANTERIA RELIGION, THE WHITE DOVE REPRESENTS THE GOD OBATALA--A DIVINE KING WHO MOLDS HUMANS FROM CLAY IN HEAVEN.
SO, WHEN ONE LANDS ON HIS SHOULDER, THE CROWD IS ELECTRIFIED.
I'M DRAWN TO FIDEL'S BOLD AND DOMINATING FIGURE!
Oh my God, he's the chosen one! I'll serve as a physician--art can wait!



How can you drive with no lights?
I don't want to be seen, and there's enough light from the artillery.
But we'll wind up in quicksand...
K-THUNK!
Shut up, I just ran over an alligator!
Santa Maria, *salvanos virgencita!*
A STRANGE SILENCE SETTLES OVER THE FRONT WHEN WE ARRIVE AT PLAYA LARGA. MASSES OF VULTURES APPEAR FROM NOWHERE--CIRCLING, SWOOPNG, CIRCLING.
FIRE SHOOTS THROUGH MY LIMBS, AND THERE'S A PAIN IN MY CHEST, SO DEEP THAT I THINK I'LL CRACK. I CAN SEE A LINE RUNNING DOWN MY TORSO SPLITTING ME IN TWO, AND I SQUEEZE MY CHEST, TRYING TO HOLD IT TOGETHER.
There's Fidel! His leg is bandaged. I bet he doesn't even care. He's our chief commander. I·d die for him!
EVERYTHING SEEMS TO BE MOVING IN SLOW MOTION, AND I HAVE THE FEELING OF ARRVING AT THE END OF THE WORLD. LEGS ARE ALL I CAN SEE.



"...a terrific debut... fresh and original."

AMERICAN VAMPIRE VOL. 1 HC

On sale SEPTEMBER 29 • 192 pg, FC, $24.99 US • MATURE READERS

Written by SCOTT SNYDER & STEPHEN KING • Art and cover by RAFAEL ALBUQUERQUE

From writers Scott Snyder and Stephen King, AMERICAN VAMPIRE introduces a new strain of vampire – a more vicious species – and traces the creatures' bloodline through decades of American history.

This first hardcover volume of the critically acclaimed series collects issues #1-5 and follows two stories: one written by Snyder and one written by King, both with art by future superstar Rafael Albuquerque. Snyder's tale follows Pearl, a young woman living in 1920s Los Angeles, who is brutally turned into a vampire and sets out on a path of righteous revenge against the European monsters who tortured and abused her. And in King's story set in the days of America's Wild West, readers learn the origin of Skinner Sweet, the original American vampire – a stronger, faster creature than any vampire ever seen before.

Don't miss out as Snyder and King set fire to the horror genre with this visionary, all-original take on one of the most popular monster stories! This beautiful collection features a new introduction by Stephen King and bonus art including character sketches, variant covers and more!

Written and illustrated by RIKA SUZUKI

CMX. When an unsuspecting Satsuki opens a mysterious book, he has no idea what he's in for. Contained inside is the art from a set of tarot cards, and now an entity from one of the cards has escaped. Suddenly a very high strung girl storms in to inform him that she is the rightful owner of the book and that the missing card must be captured and returned before it creates any trouble in the real world! Now the once lonely Satsuki finds himself recruited against his will to help capture more of these beings and put them back where they belong!

BATMAN (JUSTICE) 1:6 SCALE DELUXE COLLECTOR FIGURE

Based on the critically acclaimed and best-selling twelve-issue comics series by Alex Ross.

When dreams and nightmares become reality, the *Justice League of America* fights to save the world and the reputation of heroes when the villains turn the tables of public opinion.

Informing the *Justice League* of an apocalyptic dream, Batman sets events in motion that will ultimately spell the defeat of the villains.

As with the Superman (Kingdom Come) 1:6 Scale Deluxe Collector figure, the Batman body has been extensively modified to reflect the unique style of a particular artist – Alex Ross's vision of Justice Batman.

The 13" high figure features 28 points of articulation, is packaged in a deluxe 4-color window box with a fifth panel and includes a display stand.

RATCHET & CLANK FUTURE

BASED ON THE BEST-SELLING PLAYSTATION® VIDEO GAME FRANCHISE!

RATCHET & CLANK SERIES 2 ACTION FIGURES

Ratchet and Clank are known for overpowered weapons, ingenious gadgets, interstellar exploration, and outrageous humor. Ratchet, one of the last Lombaxes in the galaxy, is an impulsive wrench-wielding intergalactic tinkerer and Clank is his logical and witty robotic partner. With the help of self-proclaimed "hero" Captain Qwark, Ratchet and Clank have defeated many of the universe's most vile villains. In their latest caper, they face an old nemesis, the diabolical Dr. Nefarious, who seeks to control time. After Clank's disappearance, Ratchet races to rescue his best friend. As they attempt to reunite and save the universe they discover that Clank's capture is just the beginning of Nefarious's latest diabolical plot.

This tongue-in-cheek commentary is written and illustrated by award-winning creator **Scott Morse**. Each chapter is a seemingly stand-alone tale, grounded by insane landscapes and surprising characters. Take, for instance, this first installment's "Dawn of the Gearheads!," where hip hot-rodders take over a world gone crazy, DaddyO! Or the cinema-minded noir throw-back "The Projectionist." *Strange Science Fantasy* harkens back to the inspired pre-hero comics of the Golden Age! THE LIBRARY OF AMERICAN COMICS

Al Williamson's run on *Secret Agent Corrigan* from 1967 to 1979 stands as one of the artistic highlights in the history of the American comic strip. **Williamson**'s illustrious career included stints at EC Comics on their legendary science fiction titles, *Star Wars, Flash Gordon, and Blade Runner.*

Archie Goodwin was one of the most acclaimed writers and editors to work in comics. He edited the groundbreaking *Blazing Combat* series for Warren Publications and scores of other popular titles. His writing credits included *Batman* and the Eisner Award-winning *Manhunter* series.

Archie: Pureheart the Powerful collects, at long last, the short-lived yet much-loved Archie superhero parody stories that first appeared during the "camp craze" of the mid 1960s. With the Archie Comics new *Pureheart the Powerful* series, IDW's reprint collection is the perfect way for fans to rediscover the original characters. This collection includes the original *Archie as Pureheart* comic books, as well as the early adventures that orginally appeared in *Life With Archie.*

"*Barney Google* shculd stand beside *Little Nemo*, *Krazy Kat* and *Pogo* as one of the outstanding creations in comic strip history"–Brian Walker.

Before there was Google the search engine, there was Barney Google, with the goo-goo-googly eyes! This lovable comic strip character was brilliantly drawn in absorbing and hilarious stories by master draftsman **Billy DeBeck**. Barney gambled, hung with high-toned women and hillbillies, and played the horses! This strikingly designed hardbound book collects the most famous, acclaimed adventures of *Barney Google*.

The surreal and sweet *Nancy* comic strip character had an Aunt Fritzi—who in her heyday was very... Sexy! *Fritzi Ritz* continues the exciting series, "The Good Girl Art Library," with a bang! Fritzi was famed for assuming pin-up type poses to delight both her fictional beaus and her avid real-life comic strip followers. But, the hotness drew the reader in for the gags, as each *Fritzi Ritz* strip is also a laugh riot. The revealing introduction has rare **Bushmiller** artwork and photos by **Craig Yoe**.

The TOAD PRINCE

There once was a king with two beautiful daughters, and another one named Gertie. For some reason, Gertie didn't look like the rest of the family, instead bearing a strong resemblance to Skippy, the court jester. All the same, the good king loved his three daughters equally, because he had a kind heart and weak eyes.

One day, Gertie was standing by a well near the castle stables, texting a friend, when a loud noise startled her so that she dropped her phone. Plop! Plop! Crash! Splash! went the phone, down the well, into the muddy water where all the mosquitoes lived. Oh, the princess was mad! She cried. She wailed. She even said a bad word that no nice girl should ever say unless she catches her husband making a fool of himself with a tart half his age.

Gertie was seriously considering diving down the well after her phone when, all of a sudden, a voice said, "You have a potty mouth. But those legs... Harrr! M'Bah!"

When the princess turned there was... a fat little toad in a plaid suit, smoking a cigar and looking at her the way anyone looks at a Mini Cooper. You know the look I'm talking about.

Gertie sniffed and turned back to the well. "Go away, toad. I have a terrible problem and you can't help me."

The toad puffed on his cigar. "Dropped your phone down the well, didn't ya? Wish you could get it back, don't ya? I dare say none of the king's stable boys will go down that well for you. But I would... for a price."

"You've got a deal!" said the princess, grabbing the toad by his shorts.

"Wait! Don't you want to hear the price?" he squealed.

"Whatever! Just do it!" said the princess, and she heaved the toad into the well.

"ONCE UPON A TIME IN HARLEM"
New York in February is never great, but back in 1929 it was unbearable. The weather sucked, of course, and prohibition meant it was hard to get a stiff drink in a hurry. But the Dragonmirs, a vampire clan from Romania really made life tough. Once they'd finished wiping out New York's gangs they turned their attention to the Police. Their plan – to take over the city, keep humans like livestock and wake up the oldest vampire in existence to seal the deal. Mankind's feeble hopes lie with a young female newspaper reporter, a weak and dying member of the Dragonmir family and a one-eared, one eyed former gang boss named Eddie Falco hoping to persuade Samuel Kane and his gang of Harlem racketeteers to join them.

Oh, and a giant alien with unbelievable weapons called Squeed. Sounds about even, then...

Top Cow's Biggest Event to Date Begins!

ARTIFACTS BEGINS!

ARTIFACTS #1 (OF 13)

(W) RON MARZ
(A) MICHAEL BROUSSARD
(COV) TOP COW'S FINEST, JOHN TYLER CHRISTOPHER, DALE KEOWN

The Event FIVE Years in the Making!

Thirteen mystical Artifacts, including the Witchblade, the Darkness and others, guide the fate of the Top Cow Universe. For centuries, it's been whispered that bringing together all 13 Artifacts would herald mankind's destruction. But a mysterious figure has been manipulating events, laying plans to put Armageddon into motion. The final phase begins here, with the abduction of Hope, the daughter of Sara Pezzini and Jackie Estacado. What ensues will remake the entirety of the Top Cow Universe, from the Witchblade and the Darkness, to the Angelus, Magdalena, and countless others.. Artifacts #1 is the perfect place for faithful readers to see their loyalty pay off, and for new readers to experience the Top Cow Universe.

From Top Cow Universe architect Ron Marz (*Witchblade, Angelus*) and Top Cow superstar artist Michael Broussard (*The Darkness*) comes an event series, which will literally shake the Top Cow Universe to its foundation. Featuring a jam piece cover by Broussard, Marc Silvestri, Stjepan Sejic, Kenneth Rocafort, Sheldon Mitchell, and Nelson Blake II, as well as a variant cover series featuring each of the 13 Artifact bearers by John Tyler Christopher (*Witchblade*), and a special first-issue cover by Dale Keown (*The Darkness/Pitt*).

Also kicking off with issue #1 is the the Top Cow Origins series of backups written by Marz and drawn by a superstar collection of artists. This issue: Witchblade, by Marc Silvestri.

New Printing of Perennial Classic!
Midnight Nation is a thought-provoking story with religious overtones about a police officer in limbo who goes on a cross-country search for his soul but encounters some mighty obstacles along the way. When it first came out in 2000, J. Michael Straczynski's (*Superman, Wonder Woman*) provocative storytelling and the fantastic art of Gary Frank (*Superman: Secret Origin, Supreme Power*) captivated readers with its mix of action, horror and drama built around a message of hope, loyalty and sacrifice.

THE LAST ZOMBIE
BRIAN KEENE

The Last Zombie #2 (of 5)

Story: Brian Keene Art: Joseph Wight

It's been two years since the apocalypse. The zombie plague has (mostly) died down, but the world that remains is still a very dangerous place. Dr. Ian Scott continues to brave it all as he travels from Colorado to West Virginia with two vital goals: deliver a potential zombie vaccine and find the woman he loves, if she isn't dead—or undead. Shocker Award recipient and two-time Bram Stoker Award winner, Brian Keene is known worldwide for his novels and short stories of the shambling undead! Keene teams up with A.P. powerhouse Joseph Wight (Twilight X, How to Draw (and Fight) Zombies, A Very Zombie Christmas) to tell a terror-tinged tale for the ages!

LIFE WITH ARCHIE: THE MARRIED LIFE #1

(W) Michael Uslan (A) Norm Breyfogle, Andrew Pepoy, Joe Rubenstein

The writer of the mega-hit Archie wedding story, Michael Uslan, returns with two new ongoing series, "The Married Life: Archie Loves Veronica" and "The Married Life: Archie Loves Betty." In the first, Archie faces pressure from his boss and Veronica's father, Mr. Lodge. Forced to buy out Pop Tate's Chok'lit Shoppe for Lodge Industries, Archie instigates a near-violent dispute. Can Archie, Veronica and their friends find happiness as they face the challenge of saving Pop's future as well as their own? In the second story, Archie and Betty struggle with their careers in the fast-paced environment of the "Big Apple." But when a mysterious figure from their past offers Archie eternal wealth in exchange for leaving Betty and returning to Riverdale, will the temptation of an end to their struggles prove too much?

O/A THE ARCHIE WEDDING: WILL YOU MARRY ME? TP

(W) Michael Uslan (A) San Goldberg
For nearly 70 years, the eternal love triangle has been the bane of Archie's existence — and fans fans, who have wondered, "Who will Archie choose, Betty or Veronica?" Fans received an answer in 2009, not once, but twice! First came the announcement that Archie would marry Veronica, and the reaction was deafening! But just as it seemed Archie would forever settle into a life of wedded and parental bliss, a new twist was revealed, as it turned out that Archie's life with Veronica was but one of two paths he could take — and he decided to walk down the aisle with Betty!

PRIEST #1
Tokyopop

Tokyopop's trying something new and it's not manga. If it's not manga, then what is it?

It's a 32-page standard-format comic about a military-grade army of clerics that slaughter future-vampire mutants while dressed like full-leather Jedi. Yet this is more than just an action/horror fan's dream-book, it's got a smashing creative team at the helm.

Eisner-nominated author, Dan Jolley, immerses the reader in a world covered with the undead, where clerics are the frontline defense in The Vampire Wars. His broadscale worldbuilding underscores martial power and discipline of the new church. He manages to make an intriguing blend of good war comic and a great horror book.

Artist Diego Yapur has a style that echoes the old EC horror comics — lots of spot blacks, fine detail, emotive facial expressions, and proper crosshatching. I appreciate artwork that would look as sharp in black and white as it does in color. Yapur is strong and it shows.

I hope you're interested, because that's just the start. This 4-issue mini-series stands as the prequel storyline to the movie *Priest* being released in January of 2011. The movie's gonna star Paul Bettany and Karl Urban, so look for movie trailers soon!

THE WAR ON TERROR HAS BEGUN!

The CIA has created an elite team of telepathic agents dedicated to fighting domestic terrorism. But as Connor and the rest of his crew take to the streets, can they handle the dark thoughts buried inside the minds of 'we the people?'

Aspen's newest hit series, **MINDFIELD**, comes to you courtesy of creator J.T. Krul and newcomer Alex Konat, who present to you a world of action and intrigue the likes of which you've never seen! The CIA's special team of telepathic agents is supposed to be protecting the nation, but Connor is proving to be a danger to all those around him - so McManus reaches outside the government for help. Who, if anyone can guide these psychonauts through the mental minefield that dominates their lives? And they better get their act together soon, because a new threat is growing in the heartland and it's focused on one goal - **REVOLUTION!**

DESCRIPTION: One of most critically acclaimed recent superhero stories is finally collected along with all-new material! All seven of the original issues of ABSOLUTION are here as well as a huge cover gallery and an all-new Crime Files segment with additional information on John Dusk's allies and most feared villains! You've seen Christos Gage's work for Marvel, WildStorm, IDW and others, but you've never seen his imagination unleashed with absolutely no restrictions... until now. ABSOLUTION introduces John Dusk, a superhero in a world where they're a sanctioned arm of law enforcement. But this veteran hero has been scarred by his exposure to man's infinite capacity for evil, and he's seen one too many perpetrators escape justice. One day he crosses the line...lets a murderer die...and discovers it feels good. Surrounded by sociopaths, both human and superhuman, who he knows will prey on others if they're not stopped--permanently-- how far will he go, knowing every step he takes puts him further on a collision course with his teammates Alpha and The Servant, not to mention his homicide detective girlfriend? Drawing on his experience writing for TV crime dramas like Law & Order: SVU, and his years of acclaimed work on comics like G.I. Joe: Cobra, StormWatch: PHD, and Avengers: The Initiative, Gage and artist Roberto Viacava bring you a riveting, no-punches-pulled saga that fans of shows like The Shield and Dexter, or comics such as Powers and Sleeper, won't be able to put down. John Dusk wants to be forgiven... but he doesn't want to stop. This amazing collection is also available as a Hardcover edition with an all-new cover by artist Juan Jose Ryp that is limited to just 1500 copies!

PRODUCT DESCRIPTION: The biggest hit horror series of the year returns with an all-new six-issue series written by David (Stray Bullets) Lapham! The Pratt family was torn apart by the sudden strike of the infected masses, they watched family members horrifically killed. The survivors founded a whole new settlement, banded together with other stragglers, and have started to build a new life hidden away from the Crossed. But what is the price of surviving in this new World, could it be that the only way to persevere is to be even more evil than the Crossed are? At humanity's darkest hour – some folks just need killing. Imagine, for a moment, the worst crimes against humanity. Picture the cruelest affronts to decency. Conjure your darkest nightmares... and then realize it could all be so much worse. When civilization crumbles in one terrifying moment; when people are gleefully breaking into unthinkable acts of violence all around you; when everyone you love has died screaming in agony: What do you do? There is no help. There is no hope. There is no escape. There are only the Crossed. UPC: 820023006892-05011
Retail Price: $3.99

About: The ten-issue vampire epic on the bayou from the writer of the A Song of Ice and Fire novels continues in issue five! From the New York Times Best-selling author, George R. R. Martin, comes a tale of vampire clans, death and debauchery, legendary blood masters, and even a few epic steamboat races on the muddy Mississippi. This is Martin's FEVRE DREAM, an antebellum story of power, loss, and the fever of bloodlust. It's time for Joshua York to tell Abner Marsh the truth. No, the REAL truth. All of it. And Marsh isn't going to like most of it, but there's a war coming, and if he's going to pick sides, he needs to know what he's in for. Blood and pain, good and evil, truth and lies—this issue brings everything to light, just in time for the coming darkness: Damon Julian. Each issue of this stunning full-color epic is illustrated by Rafa Lopez, an artist whose skilled line captures every moonlit drop of blood in delicious detail. Adapted by the Hugo-nominated author Daniel Abraham, this version of FEVRE DREAM stays faithful to Martin's original dark vision, while bringing the torture and joy of his vampires to almost-human life. This haunting series is available with Regular and Wraparound painted covers by Felipe Massafera and a limited Nightmare retailer incentive.

OFFERED AGAIN

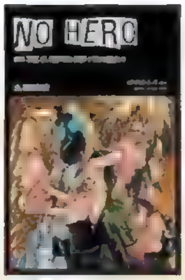
SECOND CHANCE FOR FIRST-RATE TITLES: Don't you always wish you'd ordered just one more copy of that best-selling volume once it's flown off the shelf? Well, lucky for you, we're offering a handful of our most popular titles again. This month, we've got several of our most asked-for titles from Warren Ellis and Garth Ennis, including the original *Crossed* trade to pair with this month's *Crossed: Family Values#3!*

GARTH ENNIS' CROSSED TRADE PAPERBACK

Writer: Garth Ennis
Cover: Jacen Burrows
Art: Jacen Burrows
Readership: Mature Readers
Format: Full Color, 240pp,7X10
Softcover: **$24.99**
Diamond Code: FEB100697
ISBN: 1592910904

Description: Garth Ennis has pulled out all the stops to write the most depraved and twisted book of his career, one that also may be his most poignant human drama! This gut-wrenching vision is brought to vivid (and more than a little disturbing) life by his partner in crime Jacen Burrows.

About the story: Imagine, for a moment, the worst crimes against humanity. Picture the cruelest affronts to decency. Conjure your darkest nightmares... and then realize it could all be so much worse. When civilization crumbles in one terrifying moment; when people are gleefully breaking into unthinkable acts of violence all around you; when everyone you love has died screaming in agony: What do you do? There is no help. There is no hope. There is no escape. There are only the Crossed.



WARREN ELLIS' NO HERO TPB

Story: Warren Ellis
Art: Juan Jose Ryp
Cover: Juan Jose Ryp
Readership: Mature Readers
Format: Color, 192 pages, 7x10
Softcover: **$19.99**
Diamond Code: NOV090626
ISBN: 159291084X

Description: How much do you want to be a super human? Warren Ellis and Juan Jose Ryp, the team behind the fan-favorite BLACK SUMMER, are revolutionizing masked heroes yet again in this blockbuster epic!

About the story: Dead heroes in the dirt. A killer capable of almost supernatural tortures. Five generations of the world's only superhuman group. A forty-year legacy of standing for the rights of freedom and safety. A young man obsessed with the need for street justice. How much do you want to be a superhuman? How badly does he want it? Bad enough to bring on the last days of an American legend? If he even gets to survive that long? Forty years ago, a group of superhumans emerged in San Francisco, guided by the man whose unique new drugs gave them their incredible powers. But the team is not the only thing that's advanced over the years, and there are no easy victories when their luck finally begins to run out...

WARREN ELLIS' WOLFSKIN VOL 1 TPB

Story: Warren Ellis
Art: Gianluca Pagliarani, Juan Jose Ryp
Cover: Felipe Massafera
Readership: Mature Readers
Format: Color, 120 pages, 7x10
Softcover: **$17.99**
Diamond Code: APR090698
ISBN: 1592910769

Description: Warren Ellis cuts loose to unleash his take on the genre fans demanded he assault with full color art from Juan Jose Ryp and Gianluca Pagliarani! This first volume collects the original 3 issue series with art by Ryp , Annual #1 with art by Pagliarani, and a huge cover gallery all wrapped in a stunning new painted cover by Felipe Massafera!

About the story: Before history was recorded in stone and ink, some men wrote it in blood! From the time before history began: from the time when the continents were still connected by land: from the harsh climes at the top of the world, a Northish soldier wrapped in a cape of wolfpelts walks south, into the forests of the High Midlands that are now Europe, to find a village cut in two by travelers from the East. Soon, he too is torn - between duty to the lives he has ruined just by finding them, and duty to the hideous murder-god of the Northish wastes and the berserker drugs that are his sacrament...

GARTH ENNIS' 303 TPB

Story: Garth Ennis
Art: Jacen Burrows
Cover: Jacen Burrows

IMPOSTOR'S DAUGHTER

THE IMPOSTER'S DAUGHTER: A TRUE MEMOIR SC
(W) Laurie Sandell (A) Soo-Jung Woo
Laurie Sandell grew up in awe (and sometimes in terror) of her larger-than-life father, who told jaw-dropping tales of a privileged childhood in Buenos Aires, academic triumphs, heroism during Vietnam, friendships with Kissinger and the Pope Growing up with her extraordinary father has given Laurie a knack for relating to the stars. But while researching an article on her dad's life, she makes an astonishing discovery: he's not the man he says he is — not even close. Now, she must puzzle together decades of lies and the splintered person that resulted from them — herself. (C: 0-1-2)

DOCTOR SOLAR #1 & MAGNUS ROBOT FIGHTER #1

Dark Horse Comics

Doctor Solar and *Magnus Robot Fighter* first debuted in the early 1960's under Gold Key's diverse line up of superhero and licensed comics. Both came from incredible creative pedigrees featuring the work of comic book legends Paul S. Newman and Russ Manning, respectively. Doctor Solar and Magnus Robot Fighter were unique heroes that left a big impression on the surging superhero market during the developing years of Marvel. Later, both characters were revitalized under the watchful eye of Jim Shooter and an upstart company that entered the industry in the early 1990s and immediately surged up the charts in popularity. Valliant re-introduced these classic characters to the comics mainstream after approximately twenty years in cold storage with several series that burned hot and fast for a short time. Since the Valliant era ended, however, these pioneering superheroes have been dormant…waiting for the right moment to explode back onto the scene.

This month, the folks at Dark Horse have split the atom and released the original architect of Valliant's success by giving Jim Shooter the reins to tell *Doctor Solar* and *Magnus Robot Fighter* stories once more. Fans will have their appetites whetted by an exclusive Free Comic Book Day offering in early May that reveals an exciting peek into the upcoming series. Everything from the pencils to the storytelling on these two new series looks sharp and crisp. This is an "ultimate" version of two new books that combine classic imaginative characters with a reverent and dynamic modern presentation. Of all the superhero books coming out this year, these may be the two I am personally most excited about reading. Fans from each historic incarnation of these characters will find something to really enjoy about the way in which they are being rebooted and reintroduced to comic book readers. Thanks to Dark Horse the power of the nuclear man and the furious fists of Earth's last defender are unleashed anew into comics in July!

TREASURE ISLAND

ROBINSON CRUSOE GN

(W) Daniel Defoe, Dan Johnson
(A) Naresh Kumar

Bored of life in England, young Robinson Crusoe sets off on a voyage of discovery. During the years that follow he learns much, not just about the world, but about himself as well. His adventurous character sees him through a calamitous shipwreck wipes out the whole of the crew and leaves Crusoe alone on a seemingly deserted island. How can one man survive in such a situation? HARRY HOUDINI GN

(W) C.E.L. Walsh (A) Lalit Kumar Singh
This is the life story of Ehrich Weiss. If you don't recognise this man's name, that is because the world came to know him as the one and only Harry Houdini. George Bernard Shaw once remarked that Harry Houdini is the third most famous name in history after Jesus Christ and Sherlock Holmes. While that might be a bold and debatable statement, there is no doubt that Houdini is the most famous magician to have ever lived. Almost a hundred years after his death, his name is still synonymous with death-defying stunts and unimaginable escapes. (C: 0-1-2)

SALEM BROWNSTONE HC

(W) John Harris Dunning (A) Nikhil Singh
A mundane life takes a strange and magical turn in this rich gothic fantasy told with vivid black-and-white art. As he twists the key and slowly creeps into the grand mansion left to him in his father's will, Salem Brownstone has an eerie feeling that his world is about to change. First there's the appearance of a beguiling contortionist from Dr. Kinoshita's Circus of Unearthly Delights, then a crystal ball, then an attack by the sinister Shadow Boys. It seems Salem's father was a powerful magician, and the son has inherited his dark legacy — and an unfinished battle for life or death. GRANT MORRISON'S 18 DAYS ORIGINAL GRAPHIC NOVEL

120 page hardcover • $24.99 • Teen + • (C:0-1-2)
Written by ***GRANT MORRISON*** • Art and cover by ***MUKESH SINGH & LIQUID COMICS***

From superstar creator Grant Morrison (All Star Superman, Batman & Robin, The Invisibles), comes "18 Days, " the story of three generations of super-warriors, meeting for the final battle of their age. 18 Days, is a re imagining of the great eastern myth, Mahabharata and follows the course of the climactic war that concludes the age of the gods and begins the age of man. It is the prototype for every war ever fought. The scale is epic, wherein the biggest armies ever conceived of face one another across the ultimate battlefield to decide the fate of the future. This hardcover illustrated script book from Dynamite Entertainment and Liquid Comics, will allow readers a first glimpse into the mythic animated series being developed by Morrison. The book reveals the inner workings of the acclaimed writer's process and features the original animation scripts, story bibles, character descriptions and commentaries. Grant's groundbreaking story is matched perfectly with original illustrations created by acclaimed artist, Mukesh Singh (Devi, Gamekeeper Shadow Hunter).

Book 1: Family Honor. Over a thousand years ago, the great kingdom of China was under constant threat of invasion by powerful tribes and warring states along its rugged western border. For generations, one fiercely patriotic clan of warriors – the "Yang" – battled bravely in the nation's defense. The widows of the clan pleaded with the Emperor, whose own court had become weakened by corruption and greed, to send reinforcements. But none came. Soon, the last remaining Yang soldiers were overwhelmed by a sea of bloodthirsty invaders. Distraught and incensed, the Yang widows – a few hundred strong and many of whom also seasoned warriors – took arms and set off to the western border.

But even before reaching the enemy, the journey itself would be fraught with peril. In their determination to avenge the deaths of loved ones, the Widow Warriors would face the full fury of nature's most destructive forces, a vast enemy army with sorcery and monsters on its side, and perhaps most powerful of all, the demons within themselves.

Book 1: Ashes to Ashes The Neterus and worldwide Guardian teams have defeated Satan's top demon, The Thirteenth, and have driven back the forces of evil in the first battle of the Armageddon. But the dark side is only in temporary retreat. The warriors of the Light may have won that battle, but it remains to be seen whether or not they've won the war. Beneath the earth in the caverns of Hell, the Dark Lord is plotting his next strike with a vengeance. With the human population still reeling from global wars, famine, floods, and every conceivable natural disaster and plague, something slithers into the Guardian camps--felling the members of the Guardian teams—and humanity's only chance of survival.

Written by New York Times and USA Today Bestselling Author LA Banks, The Vampire Huntress Legends: The Hidden Darkness is an original story that takes place after the epilogue in the 12th and final book in the Vampire Huntress series of novels and should not be missed by her fans or anyone who enjoys great paranormal fantasy!

The origin of the original team of crime-fighters continues! Set in the golden age of comics and history, writer Matt Wagner weaves a tale of action and adventure unlike anything else seen on the comic racks! Add in the exquisite art of Aaron Campbell and Francesco Francavilla, and you have the perfect companion to the modern day adventures of the Green Hornet from Kevin Smith and Dynamite! Our tale is split across time, following both Britt and Kato developing into the men they would become and the adventures they formed together as the Green Hornet and Kato!

"Wagner takes the reins of the first Green Hornet, Britt Reid, and sets the story in the halcyon days of the 1930s, when the Green Hornet radio program first aired. I love the period piece he's working with because it's such a big difference from the Green Hornet Kevin Smith is currently writing." -BlogCritics.com

When the fortress-like country opened the door a crack to foreign investment, cartoonist Guy Delisle found himself in its capital Pyongyang, becoming one of the few Westerners to witness current conditions in the surreal city.

THE SELVES GN
(W/A) Sonja Ahlers
Sonja Ahlers wears her pop culture obsessions on her sleeve, adoringly professing her love for the visual icons of her youth such as Princess Diana, Holly Hobbie, and Stevie Nicks. *The Selves* is a thought provoking peek into the female psyche where deep, sometimes troubled feelings lurk behind seemingly cute images, similar to *The Virgin Suicides*, leaving an equally fascinatingly unsettling mark on the reader

THE WILD KINGDOM HC
(W/A) Kevin Huizenga
Standing out amongst his contemporaries, Kevin Huizenga is the leading cartoonist of his generation. Featured here is suburban everyman Glenn Ganges, a modern day Dagwood Bumstead who tackles and stumbles with such heady topics as mysticism and science. Starting off wordless, *The Wild Kingdom* grows more complex page-by-page, ending with a cataclysmic encounter of nature and technology.

BERONA'S WAR FIELD GUIDE

Archaia Entertainment

Berona's War tells the story of two races, the Ele-Alta and Cropones, who wage war against one another for control over the island of Amity. In what can only be described as an eclectic mash-up of *Lemmings* meets *G.I. Joe*, these delightfully adorable creations seem hell-bent on finding new and inventive ways to destroy one another. Published by Archaia Entertainment, this *Field Guide*, which precedes the forthcoming graphic novel, provides an in-depth look at characters, weapons and wartime events. Each entry represents a different character, faction or military division and details regarding their role in the war.

While this presentation is more of a "who's who" look at the universe created by Jesse Labbe and Anthony Coffey, it's impossible not to marvel at the expansive nature of the world they've created. The assembled *Field Guide* is both visual and narrative. Many of the character designs featured in the book find their origins in classic army men figurine poses, and this lends a touch of nostalgia to this innovative new creation. Indeed, the creators dedicate the character bios themselves to everyone who loved memorizing *G.I. Joe* filecards in their youth. Despite the astounding amount of material collected here, this represents just the tip of the iceberg and I can't wait to see more of *Berona's War*.

FROM SHADOW TO LIGHT
the Life and Art of Mort Meskin

FROM SHADOW TO LIGHT: THE LIFE & ART OF MORT MESKIN

by Steven Brower

$39.99 / HC / 220 pgs / FC

This lush art book and critical biography compiles for the first time the best art from one of the 20th century's most influential and overlooked comic book artists: Mort Meskin. His life and work left an indellible impression on many, including: Jack Kirby, Jerry Robinson, Alex Toth, Steve Ditko, Jim Steranko, Stan Lee and many more. Meskin's contributions to our form reshaped how comics articulated our imaginations, specifically by his sophisticated chiaroscuro technique Meskin defined space within the panel like none who had come before. With this tome Fantagraphics is proud to set the record straight and add his name to the pantheon of comic book artists who helped create this distinctly American art form.

THE ARTIST HIMSELF

THE ARTIST HIMSELF: A RAND HOLMES RETROSPECTIVE

by Patrick Rosenkranz

$39.99 / SC / 328 pgs / FC

This book is an intimate and expansive account of a very private man who expressed his deepest feelings in the then disreputable medium of comix. His hippie hero, Harold Hedd, became the spokesman of the emerging 1970s counterculture. *The Adventures of Harold Hedd* spread across the globe in the wave of underground comix and newspapers of the era. While his comic character was bold and blatant, the artist was shy and quiet, well on his way to becoming a complete hermit. This unique collection of art documents a lifetime of work by one of the most talented artists of his generation.

FREEWAY

by Mark Kalesniko

$28.99 / SC / 416 pgs / BW

Alex is an animator and he's angry. Stuck in a traffic jam on his way to his job at "Mickey Walt" Studios, Alex rages, reminisces, fantasizes and hallucinates about his early days as a starry-eyed animator landing his dream job, through the increasingly depressing political battles and creative compromises. Loaded with insider information on two generations of animators, *Freeway* is another ambitious step forward for a major cartooning talent.

RIP M.D.

by Mitch Schauer & Mike Vosburg

$12.99 / SC / 88 pgs / FC

RIP, M.D. is the debut graphic novel from *The Angry Beavers* creator Mitch Schauer, a creepy, fun-filled all-ages adventure introducing Ripley Plimpt, an eleven-year-old boy whose ordinary life is turned upside-down when he discovers that monsters are not only real, but are also in desperate need of his help to overcome their very real problems.

$8.00 / 48 pgs / PC

Eisner nominated Sammy Harkham's celebrated comic book series is back and sporting a new, larger magazine format! Part the pages of brand new short stories and gags and you will find "Blood of the Virgin," a tingler of a tale documenting a film editor-cum-director's experience during the 1970's golden years of seedy exploitation cinema in down-and-out Los Angeles.

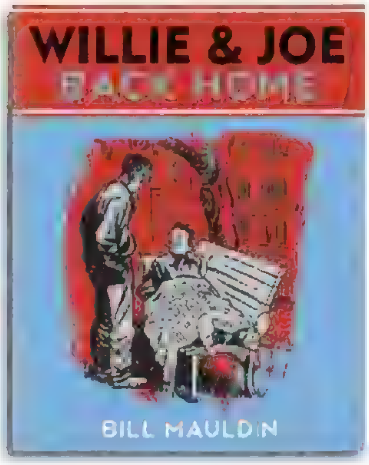
WILLIE AND JOE: BACK HOME
by Bill Mauldin
$29.99 / HC / 288 pgs / BW

In 1945, a great tide of battered soldiers began flowing back to the United States. Though victorious, these exhausted men were nevertheless too grief-stricken over the loss of comrades, too guilt-ridden that they had survived, and too numbed by trauma to share in the country's euphoria. Most never saw a ticker-tape parade, or stole a Times Square kiss. All they wanted was to settle back into quiet workaday lives without fear. How tragic that the forces unleashed by WWII made this simple wish impossible. Bill Mauldin brilliantly chronicles these early postwar years and tells his own story of his journey home to a wife he barely knew and a son he had only seen in pictures.



PEANUTS 1977-1978 VOL. 14
by Charles M. Schulz
intro by Alec Baldwin
$28.99 / HC / 344 pgs / BW

This new volume of everyone's favorite classic comic strip establishes the last two recurring characters (Snoopy's brother Spike and Rerun Van Pelt) and features an amazing profusion of hilariously distinctive new characters who appeared in only one or two strips total! Including: a group of diminutive baseball players, Austin, Ruby, Leland, and Milo. Their coach, good ole Charlie Brown has been found guilty by the EPA of biting the Kite-Eating tree and must go on the lam where he establishes the midget baseball team known as the "Goose Eggs." All that and more including the usual cast of beloved characters (including the talking schoolhouse and the doghouse-jigsawing cat, who steals Linus's blanket creating much unrest). Wait! Don't forget the introduction by Alec Baldwin!!!

THE ART OF NEAL ADAMS

Vanguard Productions

If I had to pick the one comic book creator I'm most fanatic over, it would be Neal Adams. While I'm a big Alex Toth fan and my *Sugar and Spike* and *Scribbly* collections will be the last things I ever part with, its Neal's art that kept that collector's bug going after years of Fin Fang Foom and Go-Go checks and price increases.

Coming from Vanguard Products is the long-awaited release of *The Art of Neal Adams* in a quality hardcover. Vanguard has produced some award winning art books in the past, and this one will be one as well. This book covers the career of Neal Adams from his assisting on the *Bat Masterson* and *Peter Scratch* strips by Nostrand and Lou Fine to going solo on *Ben Casey*. His advertising, print, and animation work are covered, as well as his movie poster and paperback cover art.

Of course, his comic book work is covered from *Archie's Joke Books*, *Chip Farrell* in *Boy's Life* and *Super Hip* to *Batman*, *X-Men*, and, my favorite, *Deadman*. Switching from creator to publisher we see the advent of Continuity Studios and new characters with the unique Adams stamp of creativity — *Ms. Mystique*, *Megalith*, *Urth 4*, *Samuree*, and *Knighthawk*.

Fully annotated by the artist, this is one of the most anticipated art books in the last few years. This is a must have for your library – Neal Adams is the standard to measure comic artists regardless of generations.

THE SIXTH GUN #1

Oni Press

Like a *Hellboy* story told in the old West, *The Sixth Gun* combines the elements of true history with myth and the supernatural to tell a dark, pulp adventure.

Six unique pistols harness unimaginable power, but the sixth pistol is the most powerful of them all. It has been kept in hiding from evil hands for years but, when forced out into the open, Drake Sinclair races to get his hands on it first. Though Sinclair is hardly the valiant hero, there are far worse forces at work trying to locate the pistol before Sinclair. Some people regard the sixth gun as simply a myth, but for those who know better, the one you possess the sixth pistol will be an unstoppable force against man.

With six-shooters, ghosts, Pinkertons, and the undead, Cullen Bunn and Brian Hurtt construct Oni Press' newest periodical with fun and action in mind.

To Save the Future,
They Must Change the Past

From **Jimmy Palmiotti** and **Justin Gray** (*Jonah Hex*), with interior illustrations from multi-award winning industry veteran **Paul Gulacy**!

When a hidden city is discovered beneath the streets of Berlin, Hitler's ultimate doomsday weapon – an Omega bomb designed to wipe out the human race – is accidently activated. Now a crew of specialists with state-of-the-art weapons and equipment must travel back in time to stop the bomb from going off. However, they soon discover that, rather than going back in time as intended, they've been sent back into the heart of Hitler's Germany.

DRIVER FOR THE DEAD

Alabaster Graves is a driver for the dead.

As a veteran of funeral homes, mortuaries, and coroners' offices across the Deep South, Graves chauffeurs hundreds of bodies to their final resting places. But now, Alabaster must cover the distance from Shreveport to New Orleans to retrieve the remains of Mose Freeman, renowned voodoo priest, with Freeman's sultry granddaughter riding shotgun. What he doesn't know is that he's being pursued by a resurrectionist named Fallow – a necromancer who gets his power from stealing body parts... and for whom the corpse of Mose Freeman would be the ultimate prize.

Set in a wacked-out world, Center City remains the belly-button lint of surviving society, a final human outpost oozing crime and racial tension between man and machine. Against this backdrop, comicdom's most unique anti-heroes, Cholly and Flytrap, find themselves knee-deep in a mucky feud between the city's two power brokers. When sumo-master Flytrap is mistakenly shanghaied and forced into slavery in a secret fight world, his partner Cholly must odyssey to rescue him from certain doom.

Jim Lee has worn many hats in his comics career. The influential artist of *X-Men*, *WildC.A.T.s*, and *Batman: Hush*. Co-founder of Image Comics. Founder and publisher of Wildstorm. Executive Creative Director of *DC Online*. Co-Publisher of DC Comics. This summer, Titan Books takes a look back at Lee's varied career with *Icons: The DC and Wildstorm Art of Jim Lee*, a retrospective look at Lee's work on the characters of the DC and Wildstorm universes through interviews and galleries of his artwork, from roughs and sketches to finished pieces, including a Legion of Super-Heroes story exclusive to the volume. ***PREVIEWS*** offers an exclusive edition of *Icons* this month that features an exclusive cover plus additional pages of artwork, making this an essential volume for comics historians, comics fans, and Lee's legions of admirers. ***PREVIEWS*** sat down to talk with Lee about *Icons* and his work in the industry, and here's what he had to say:

***PREVIEWS*:** How did break into the industry?

LEE: I went to a convention in New York City and showed my samples to Archie Goodwin, who was working at Marvel at the time, and he liked my samples and invited me to come in and show them to an editor who worked with a lot of new talent named Carl Potts, who gave me first assignment at Marvel, *Alpha Flight*.

***PREVIEWS*:** What is your working process like? When you sit down to draw, what happens at the drawing board?

LEE: I lay out and draw straight on the page. I find that in experimenting with all these different ways of working, the more I prep for the final drawing, the stiffer and less dynamic the final drawing is, so I used to do thumbnails and then blow them up and transfer them and then redraw over them, and I was just losing energy and motion from the figures I was transferring and drawing. I found it was best just to do my "underdrawing" right on the actual board, then lightly erase it and draw on top, to use the light underdrawing as an architectural understructure for the final pencils, and that's worked pretty well for me. I even experimented with blue pencil and drawing on top of blue pencil, and all these different methods have their pros and cons, but one day I found it was easiest to go straight to pencil and paper.

***PREVIEWS*:** What can readers expect to find in *Icons: The DC and Wildstorm Art of Jim Lee*, coming out from Titan Books this summer?

LEE: It will have a lot of my work from DC, an extensive, multi-year interview I did with Bill Baker, done over many many years, probably the most comprehensive interview I've ever given. It has a ten page *Legion of Super-Heroes* story that's exclusive to this book that I worked with Paul Levitz on, and that's been a real treat, just drawing these characters, some of my childhood favorites, and I've never drawn some of these guys in these costumes before. And it's going to have a lot of behind-the-scenes images, sketches, and photographs that have not been in print before, so a real treasure trove of things.

***PREVIEWS*:** How did you get involved with DC Online? And what do you find rewarding about working on it?

LEE: I was an avid MMO player, like on *EverQuest* and *Ultima Online*, so I had a lot of experience playing these kinds of games, and when I found out that DC was thinking of licensing the characters for a massively multiplayer online experience, I volunteered for it. "I know the DCU, I know how these characters should look, and I have experience in how these games should feel and play." I guess I convinced them, because they made me the Executive Creative Director on the project, and I've been with it from the very, very start, four years ago, five years ago.

It's immensely rewarding in that it is a translation of our 2-D drawings into 3-Dimensional space. It's the first that that gamers, both hardcore and casual, are going to see a lot of the DC library of characters in 3-D format in a video game space. Everyone's seen the Batman and Superman games, even Justice League, but we've got hundreds of heroes and villains from the DCU, and you're going to see environments, headquarters, and secondary and tertiary characters that you never thought would ever be in a video game. Now you're going to be able to go on these incredible missions as a hero or villain, in Metropolis or Gotham City or a bunch of other environments that we've built out for the game.

What's interesting is that after the very first pass working through the villains, in a lot of MMOs when you get to the main boss, you find these gigantic dragons or creatures, and what you find in the comic book space is that most of the villains, most of the heroes and antagonists and humanoid sized and shaped, and we had to look over the rogues' gallery and find out which ones we could exploit and make more monstrous or larger on screen to create some visual variation. You don't want to get to the final level of the lair and find a guy that's the same height as you, taking four or five players beating down this small character. We took a path on characters like Doomsday and made them larger and more fearsome, and that turned out pretty cool. We're able to go through and kind of tweak various parts of the DCU to make them more visually interesting for the game experience. As we start doing that, we start tweaking the DCU here and there visually, again, to kind of make it look really cool using the technology that these games afford you. That's been really rewarding and challenging and a lot of fun to see. I think the fans are going to dig it, because there are more than a few characters where they'll go, "I know who that is, but wow, I have not seen someone that badass looking before." I think that's the goal we're shooting for.

***PREVIEWS*:** What advice would you give to an artist looking to break into the industry today?

LEE: I tried breaking into the industry when I was twenty-one, and if I were twenty-one today, if I were fifteen today, because that's the age when I really thought about it as a career, I'd have my artwork online. I'd have pages online, I'd be involved in networking and communicating with other creators.

What's great about our industry is that there's amazing access to not just the other creators but to editors, co-publishers, heads of marketing. There's a level of access that doesn't exist in a lot other industries our size and our stature, and I think that's amazing for the opportunity to break in. Back then, I learned how to break in by reading old magazines, old fanzines I bought for like a quarter at a comic book shop. I'd network with a guy in the shop who knew that knew a guy that broke into comics. That's how you found out. And today, the amount of resources out there on the Internet is staggering, and that part's not going to hold you back. At this point, it's more competitive because there are more people trying to break in, but at the same time the thing that will hold you back is a lack of talent or a lack of discipline. Those are the two things, as a young artist trying to get into the industry — you have to be persistent, not just in terms of trying to get in, but also in terms of your work. You can't give up on it, you can't just draw when you feel like it, you have to treat it like it's a job for you already, get up, draw, put in your time, and then go off and do what other young people do. You have to be serious about it. Drawing is recreational, it's vocational, it's fun to do, but when you get into the business of drawing, when you get into commercial art, it is a job with its responsibilities and you have to take it seriously. And if you take it seriously, it will reward you back in ways you cannot imagine.

MODERN MASTERS VOLUME 25: JEFF SMITH SC
(A) Jeff Smith
(A) Eric Nolen-Weathington
At the age of nine, Jeff Smith dreamt up a cute, little character he named Fone Bone. More than a decade later, *Bone* became a smashing success, rocketing Smith to a level few independent cartoonists achieve. Published worldwide and winner of countless awards, *Bone* could have been a career unto itself, but Jeff Smith didn't rest on his laurels. DC's *Shazam: Monster Society of Evil* and his new creator-owned series *RASL* are proof that he is still one of the best cartoonists in the business, and *Modern Masters. Jeff Smith* explores his career through an interview with the artist, a discussion of his creative process, and mountains of rare and unseen art, including a huge gallery of commissioned pieces, plus 8 pages of full color work.

By Q Hayashida

In a city so dismal it's known only as "the Hole," a clan of Sorcerers have been plucking people off the streets to use as guinea pigs for atrocious "experiments" in the black arts. In a dark alley, Nikaido found Caiman, a man with a reptile head and a bad case of amnesia. To undo the spell, they're hunting and killing the Sorcerers in the Hole, hoping that eventually they'll kill the right one. But when En, the head Sorcerer, gets word of a lizard-man slaughtering his people, he sends a crew of "cleaners" into the Hole, igniting a war between two worlds.

Naoki Urasawa's 20th Century Boys, Vol. 10

By Naoki Urasawa

It appears that Kanna's ambitious gamble has paid off as the leaders of the local Thai and Chinese mafias agree to both call a truce and offer to back her up. This doesn't sit too well with Yukiji, though, who is furious that Kanna would risk her life in such a brazen way. But one thing seems certain: when it comes to fighting the Friends, there's no limit to how far Kanna will go.

Ōoku, The Inner Chambers, Vol. 4

By Fumi Yoshinaga

In Edo period Japan, a strange new disease called the Redface Pox has begun to prey on the country's men. Within eighty years of the first outbreak, the male population has fallen by seventy-five percent. Women have taken on all the roles traditionally granted to men, even that of the shogun. The men, precious providers of life, are carefully protected. And the most beautiful of the men are sent to serve in the shogun's Inner Chamber...

Jormungand, Vol. 4

By Keitaro Takahashi

Jonah is a child soldier, born amidst the chaotic conflicts that rage across West Asia, his family lost to a war fueled by weapons supplied by the so-called Merchants of Death—international arms dealers. Despite Jonah's hatred of weapons and violence, he employs both extremely well in the service of high-flying arms dealer Koko Hekmatyar and her band of mercenaries. Their journey through the dark underbelly of the world's arms markets may lead only to damnation, but will Jonah one day make his way back to the light? Only one thing is certain: it's going to be a long, hard road out of hell…

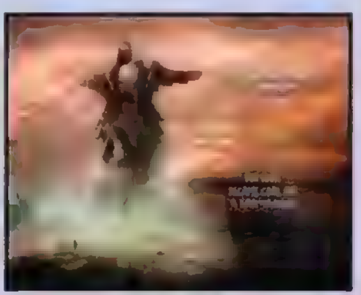
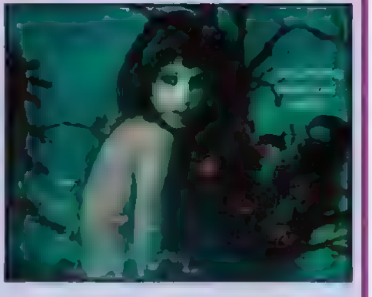
SOUL STEALER VOLUME 3

DMF Comics





Anyone keeping score at home knows it's no small secret I love Christopher Shy's work. His seamless mastery of many multimedia disciplines coupled with his own unique aesthetic and design sense creates striking artistic visions that are distinctively Shy. From vast and hellish otherworldly vistas to intimate and melancholic moments of ephemeral beauty, Shy conjures visceral and ethereal visions that veritably churn with emotion. His characters range from the somber and tragic to the desperate and unrequited, from enigmatic and benevolent to the savage and demoniac. And all of them are just plain cool.

The *Soul Stealer* trilogy wraps up with the third volume in the series which contains some surprising twists, as ancient enemies must put aside their differences to save their collective world. This series is a truly remarkable visual epic, one I feel has gone woefully underappreciated by comparison given its scope and artistic accomplishments. So I'm making it easy for you guys... all three volumes of the *Soul Stealer* trilogy are offered in this month's ***PREVIEWS***. Maybe it's not meant for everyone, but chances are it's probably meant for you.

TELLING STORIES, NORMAN ROCKWELL: FROM THE COLLECTION OF GEORGE LUCAS AND STEVEN SPIELBERG HC

(A) Normal Rockwell

Telling Stories, based on the Rockwell collections of George Lucas and Steven Spielberg, charts the connections between Rockwell's iconic depictions of bucolic American life and the movies. Rockwell, the quintessential American mythmaker of the 20th century, touched the lives of the two most successful directors of our day. Within Rockwell's art, the fantasies and foibles of ordinary people are given life, central among them the themes of love of country, the sanctity of family, and the value of personal honor. *Telling Stories* accompanies an exhibition at the Smithsonian American Art Museum. COMIC ART PROPAGANDA: A GRAPHIC HISTORY SC

(W) Fredrik Stromberg
As one of the most effective and powerful forms of communication, it comes as no surprise that comic art has been misappropriated by governments, self-interest groups, do-gooders, and sinister organizations to spread their message. This book examines every kind of propaganda, and how positive or pernicious messages have been conveyed in the pages of comic books over the last 100 years. A fascinating visual history of some of the most outrageous, unbelievable, and politically charged comics ever published. (C: 0-0-2)

WHAT TO DO... WHEN YOU MEET CTHULHU SC

(W) Rachel Gray

From encounters with Barnabas Marsh and Wilbur Whateley to dangerous seaside communities, this witty exploration covers the multitude of imaginary dangers, escape options, and chances of survival when confronting these horrors. Shoggoths, Nightgaunts, ghouls, and Cthulhu all have ventured into popular culture in the form of cuddly toys, but as this entertaining overview proves, these monsters are not so warm and fuzzy when met face-to-face, face-to-muzzle, or face-to-tentacles. Authoritative and hilarious, this "survival guide" sheds light on the mysterious and often unimaginable world of Cthulhu. (C: 0-1-2)

JAPANESE CULTURE

JAPANESE SCHOOLGIRL CONFIDENTIAL SC

(W) Brian Ashcraft, Shoko Ueda

From manga and anime to movies, magazines, video games, advertising and music, Japanese schoolgirls are everywhere. For years, schoolgirls have shown up in internationally popular anime such as *The Melancholy of Haruhi Suzumiya*, films such as *Battle Royale*, and video games such as *Street Fighter*. In effect, the Japanese schoolgirl has all but replaced the "geisha-girl" as Japan's new female icon. By talking to Japanese women, including former and current J-pop idols, well-known actresses, models, writers, and artists — along with film directors, historians and marketers — the authors reveal the true story behind Japan's obsession with schoolgirls. DOONESBURY: SIGNATURE WOUND ROCKING DBI TP
(W/A) Garry Trudeau
Missing an eye and suffering from aphasia due to combat in Iraq, SFC Leo Deluca (a.k.a. Toggle) fights to recover from traumatic brain injury (TBI), a journey of recovery that brings out the best in B. D., his former commander. Toggle's metalhead mom initially has reservations about his improbable Facebook romance with an MIT tech-head named Alex, but love blooms. As this engaging story unfolds, Toggle finds himself drawn toward a career in the recording industry, undaunted by the limitations of the New Normal that now defines his life. IRON MAN EXTREMIS ARMOR STATUE

A Bowen Designs Sculpt! Badly injured in battle as Iron Man, Tony Stark sought to save his life by injecting himself with a techno-organic virus to rebuild his body. As a consequence, Stark's Iron Man armor fused with his body, turning him into a cyborg of sorts; the armor could conceal itself within his bones, while his brain became able to connect to computers and other electrical devices. The newer, sleeker armor that resulted was called the *Extremis Armor*, and this high-tech armor is sculpted by Avinash Hegde as a 12" tall statue. Scheduled to ship in July 2010. (8824) (C: 0-1-3)

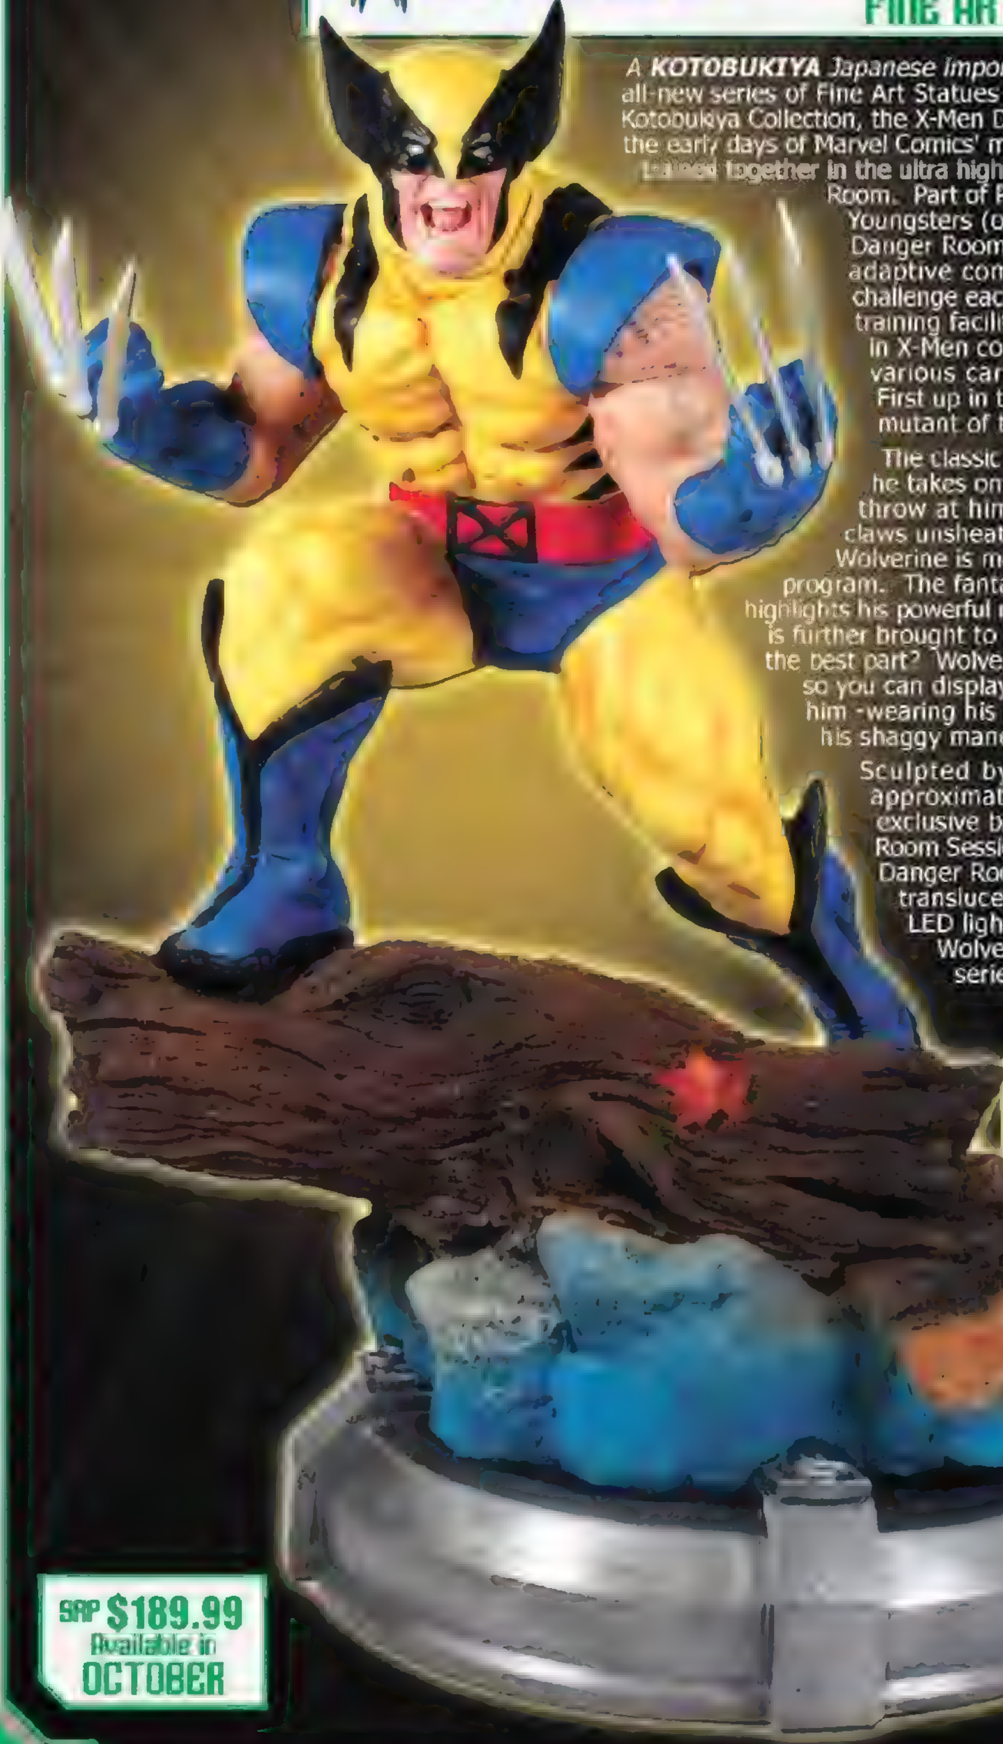
WOLVERINE

MARVEL COMICS PRESENTS THE KOTOBUKIYA COLLECTION: X-MEN DANGER ROOM SESSIONS FINE ART STATUE



*A **KOTOBUKIYA** Japanese import!* We are proud to announce an all-new series of Fine Art Statues from the Marvel Comics Presents Kotobukiya Collection, the X-Men Danger Room Sessions! Ever since the early days of Marvel Comics' mutant adventures, "X" teams have trained together in the ultra high tech facility known as the Danger Room. Part of Professor Xavier's School for Gifted Youngsters (or "X-Mansion"), the subterranean Danger Room is equipped with state of the art adaptive combat and athletics routines that challenge each participant in unique ways. The training facility has been featured prominently in X-Men comics over the years, as well as in various cartoons and the third X-Men film. First up in this new series is the most popular mutant of them all, **WOLVERINE!**

The classic mutant is in full berserker rage as he takes on everything the Danger Room can throw at him! With his wicked adamantium claws unsheathed and a feral snarl on his face, Wolverine is more than a match for any training program. The fantastic sculpt on the vicious mutant highlights his powerful muscles and classic uniform, which is further brought to life in vivid blue and yellow. And the best part? Wolverine comes with two unique heads so you can display the X-Man exactly as you prefer him - wearing his uniform cowl or bareheaded with his shaggy mane flying free.

Sculpted by Eric Sosa, Wolverine stands approximately 9 inches tall on an amazing exclusive base. Every mutant in the Danger Room Sessions series is mounted on a unique Danger Room holographic environment with translucent parts that glow with a built-in LED light in the base! Don't miss out on Wolverine and the entire Danger Room series.

ROBIN HOOD 2010 DVD

Robin Hood chronicles the life of an expert archer, previously interested only in self-preservation, from his service in King Richard's army against the French. Upon Richard's death, Robin (Russell Crowe) travels to Nottingham, a town suffering from the corruption of a despotic sheriff and crippling taxation, where he falls for the spirited widow Lady Marion (Cate Blanchett), a woman skeptical of the identity and motivations of this crusader from the forest. Hoping to earn the hand of Maid Marion and salvage the village, Robin assembles a gang whose lethal mercenary skills are matched only by its appetite for life. Together, they begin preying on the indulgent upper class to correct injustices under the sheriff. Directed by Ridley Scott (*Kingdom of Heaven*). (C: 0-1-4)

BERONA'S WAR FIELD GUIDE
ARCHAIA ENTERTAINMENT

[illegible] *War* tells the story of two races, the [illegible] and Croponés, who wage war against [illegible] another for control over the island of Amity. In what can only be described as an eclectic mash-up of *Lemmings* meets *G.I. Joe*, these delightfully adorable creations seem hell-bent on finding new and inventive ways to destroy one another. Published by Archaia Entertainment, this *Field Guide*, which precedes the forthcoming graphic novel, provides an in-depth look at characters, [illegible] and wartime events. Each entry represents a different character, faction or military division and details regarding their role in the war.

While this presentation is more of a "who's who" look at the universe created by Jesse Labbe [illegible] Coffey, its impossible not to marvel [illegible] nature of the world they've created. The assembled *Field Guide* is both visual and narrative. Many of the character designs featured in the book find their origins in classic army men figurine poses, and this lends a touch of nostalgia to this innovative new creation. Indeed, the creators dedicate the character bios themselves to everyone who loved memorizing *G.I. Joe* file cards in their youth. Despite the astounding amount of material collected here, this represents just the tip of the iceberg and I can't wait to see more of *Berona's War*.

SOUL STEALER VOLUME 3

DMF COMICS

Anyone keeping score at home knows it's no small secret I love Christopher Shy's work. His seamless mastery of many multimedia disciplines coupled with his own unique aesthetic and design sense creates striking artistic visions that are distinctively Shy. From vast and hellish otherworldly vistas to intimate and melancholic moments of ephemeral beauty, Shy conjures visceral and ethereal visions that veritably churn with emotion. His characters range from the somber and tragic to the desperate and unrequited, from enigmatic and benevolent to the savage and demoniac. And all of them are just plain cool.

The *Soul Stealer* trilogy wraps up with the third volume in the series which contains some surprising twists, as ancient enemies must put aside their differences to save their collective world. This series is a truly remarkable visual epic, one I feel has gone woefully underappreciated by comparison given its scope and artistic accomplishments. So I'm making it easy for you guys... all three volumes of the *Soul Stealer* trilogy are offered in this month's *PREVIEWS*. Maybe it's not meant for everyone, but chances are it's probably meant for you.

2010 is looking good for ***PREVIEWS*** readers; this summer is filled to the brim with movies based on comics, games, or classic franchises. Whether it's the absurd fights of **Scott Pilgrim vs. The World**, the frightening return to **A Nightmare on Elm Street**, or the hard-bitten cast of **The Losers**, just about everyone can find something to love.

And what would the latest crop of movie blockbusters be without the merchandising? ***PREVIEWS*** presents our guide to some of this summer's biggest tickets, along with a selection of related merchandise suggestions to help you bring the fun home!

A NIGHTMARE ON ELM STREET
(APRIL 30, 2010)

For nearly three decades, Freddy Krueger and his grim sense of humor have haunted the dreams of teenagers inside and outside the movies. The legend comes full circle this summer, when Jack Earl Haley (*Watchmen*, *Human Target*) takes on the classic role with a seriousness that audiences won't soon forget.

In honor of the new film, two brand new figures of Freddy Kruger, cast in the image of film star Jack Earl Haley, are being released. One figure portrays Kruger before the fire that disfigures him (featuring an interchangeable right hand for his trademark claw and face sculpt based on Jack Earl Haley), while the other figure shows the villain in all his scary scarred glory (with another interchangeable head). Both figures measure 7" tall and are fully poseable. Collectors can also find a more cuddly Krueger with the newest entry in the *Living Dead Doll* series, based on the new film, and featuring his trademark sweater and removable fedora!

IRON MAN 2
(MAY 7, 2010)

At the end of ***Iron Man***, Tony Stark had just revealed his identity as Iron Man to the world. Now everyone from vengeful super-scientists to the U.S. government is gunning for a piece of ol' Shell-Head. Luckily, he's got some old and new friends in War Machine and the Black Widow watching his back when the bullets start flying.

Straight out of the soon-to-be summer blockbuster comes two new offerings from Diamond Select Toy's Marvel Select line: millionaire playboy Tony Stark (complete with the likeness of actor Robert Downey Jr.) in his Mark VI armor, or his unstoppable friend James Rhodes (with the likeness of actor Don Cheadle) in the War Machine armor. Both figures are fully articulated with removable facemasks and Armor Assembly Station bases.

SHREK FOREVER AFTER
(MAY 21, 2010)

Happily ever after isn't all its cracked up to be. Shrek has it all: a loving wife, darling children, and the admiration of his fellow fairy tale creatures. But he longs for his life as a single man, and makes a deal with the mischievous Rumpelstiltskin for a day to himself. But Shrek fails to read the fine print, and wakes up in a world where he was never born, and Rumplestiltskin is king of Far, Far Away! Now Shrek has to fight for his *Happily Ever After* all over again!

Mike Myers, Eddie Murphy, Cameron Diaz, and Antonio Banderas all return to delight moviegoers with reportedly the "final" *Shrek* adventure! For the collector, there's a 15" tall statue of Shrek and Donkey from the movie, based on their original 3D models. For someone looking for a more interactive experience, take a whack at the **Shrek Forever After Smack Backs**. These plush 6" plushes of Shrek, Donkey, Puss, and Gingy say phrases from the film when you squeeze their bellies.

PRINCE OF PERSIA: THE SANDS OF TIME

(MAY 28, 2010)

The Dagger of Time can be used to alter the flow of time, making whoever wields it akin to a god. With an evil vizier and an army of supernatural assassins seeking its power, it's up to Dastan, the Prince of Persia, and a rival princess, to keep the dagger out of the wrong hands and the world from falling into chaos.

Lego brings the adventure of the medieval Middle-east to life with **the Battle of Alamut** set. Help the Prince as he and his friend Seso attempt to storm the evil sorcerer Nazim's fortress and do battle with his Hassasin warriors in this 822 piece set.

Also, *United Cutlery* offers a 7" replica of the film's **Dagger** of Time. This collectable is made of cast metal with an antique silver-plated finish, and comes with a wooden display stand and certificate of authenticity.

THE A-TEAM

(JUNE 11, 2010)

If you have a problem if no one else can help, and if you can find them... well, you know the rest! A revamp of the classic '80s TV show, this version of **The A-Team** seeks to up the stakes with some of the most outrageous action sequences of the summer!

When thinking of the A-Team, two things jump to mind: Mr. T... and that van. While it is impossible to own Mr Tureaud (seeing as "T" owns you, fool!), you can take your 4" **A-Team Action Figures**, cast in the likeness of the movie's leads, on missions in **The A-Team Classic Van**, complete with deluxe light and sounds! We love it when a plan comes together!

JONAH HEX

(JUNE 18, 2010)

Remember those old westerns where the good guys wore white, had chiselled good looks, and stood for truth and justice? That ain't Jonah Hex; he wears a confederate army uniform, has a mangled face, and will only let you live if the bounty calls for it. He's all we got, so God help the bad guys.

Arguably, Jonah's only living friend is the working girl **Leila**, played by the gorgeous Megan fox in the new film. *DC Direct* offers a hand-painted, cold-cast porcelain bust of the incendiary leading lady posing atop a crate of dynamite.

And for the serious fan, there's the 1:6 scale figure of **Jonah Hex** cast in the likeness of film star, Josh Brolin. This figure features 28 points of articulation and comes with a cloth costume, accessories, and a display stand.

Even after this summer, the outlook looks good for pop culture fans. No matter what your tastes are, you can look forward to your favorite franchises coming to life on the big screen. It's something special to be able to see a story you've grown to love be realized outside of two dimensions. And it doesn't hurt that you can get your hands on some neat toys based on them either!

TOY STORY 3

(JUNE 18, 2010)

There comes a time when we must put away childish things and start acting like grown-ups. But how do you think your *toys* feel about that? With Andy going away to college, Woody, Buzz and the gang are donated to the local day care. And after spending less than a day of being a toddler's chew toy, there's already an escape plan in the works!

Fans can bring the adventure of the latest Pixar epic home in three new sets from *Lego*. Go on a Wild West adventure with the **Western Train Chase Set**; help Hamm and Woody escape a fiery fate with the **Trash Compactor Escape**; or ride along in **Lotso's Dump Truck** as it takes Buzz, Woody, and their friends to their new home at the day care center.

TWILIGHT SAGA: ECLIPSE

(JUNE 30, 2010)

A string of murders have hit the Seattle area, apparently the work of vampires. The vampire Victoria has been building an army to get revenge on Bella Swan for the murder of her lover in the first film. While this crisis rages on, Bella must also choose between her lover Edward or her friend Jacob.

Look back on this exciting series with the *Tonner* ***New Moon Dolls***. These highly detailed collectors items feature rooted hair, and cloth clothes, making these some of the most accurate representations of the *Twilight: New Moon* cast. Choose from:
